STUDENT LIFE

LUNCHTIME

More happens at the Kenmore East lunchroom than just lunch. It is there that students see their friends, copy their homework, and sell tickets to school functions. Without the lunchroom social events at Kenmore East, sanity would be impossible. It is during lunchtime, in addition to after school, that the social center of the school is alive with activity – that center, of course, is under the clock. All this makes lunchtime at Kenmore East one of the most colorful parts of the day.

Terry Cahill decides he's rather not as John Evans brown bags it.

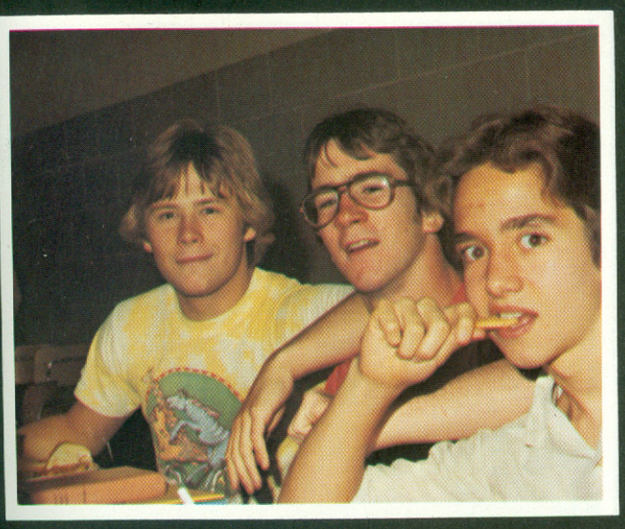

Tracy Short enjoys lunch.

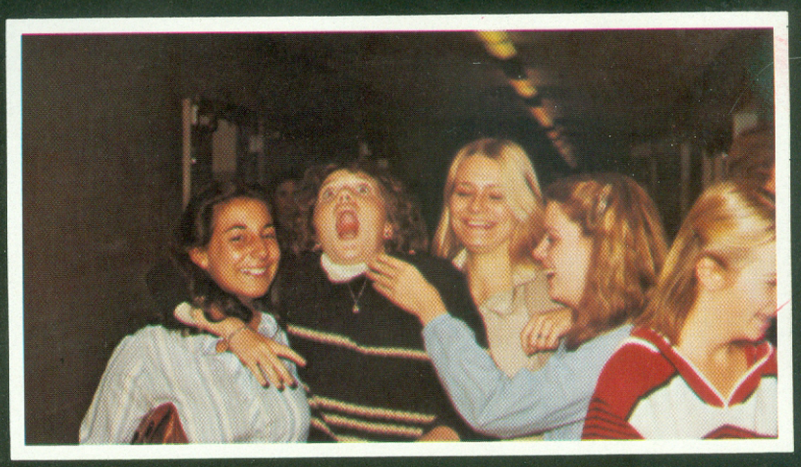

Aric Kaiser has the cafeteria blues.

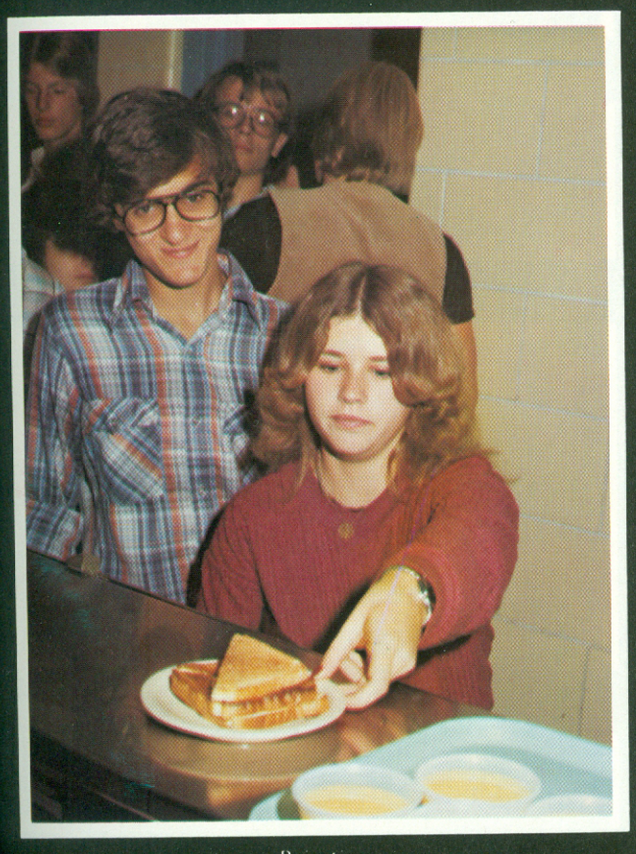

Sam Sole thinks "fight" as T. J. Petti thinks "peace."

Students "pig out" at lunchtime.

Karen, Sue, and Ellen practice first-aid techniques on Marilyn.

Rejection

Seniors take care of business under the clock.

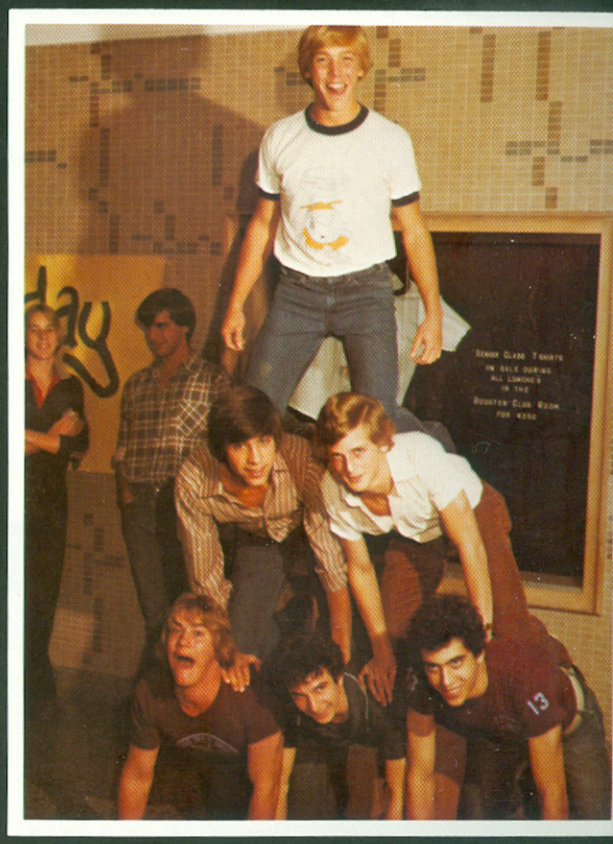

Says Lisa Kampshoff: "Look! It's alive!"

Larry Smith and Marilu Kreutzer: the expressions say it all.

RECREATION

School is not all hard work and study. An important part of life at Kenmore East is free time and what the students do with it. Free time is used for such recreational activities as conversation, laughter and just lounging around. It is this free time that many students will remember after their days at Kenmore East are done.

SPIRIT HIGH AT KENMORE EAST

Spirit was very high this year, even though the varsity football team had a tough season.

The students exemplified their spirit during the Wind-up weekend pep rally and the backing of the champion soccer team.

Gregg Firster became the first male Kenmore East cheerleader, stunning the crowd with his unique talent.

The Kenmore East golf team earned another NFL championship, and the cross-country team finished strong.

BULLDOGS STOPPED BY HIGH-POWERED QUAKERS

Blue-Gold Weekend came around again with the Kenmore East Bulldogs meeting the Orchard Park Quakers at Parker Field. The Bulldog defense played tough, holding the high-powered Quaker offense to 20 points. The Bulldogs played high-spirited football, but the gruesome Quaker defense held them scoreless. The weekend began with a carnation sale on Friday, but the traditional bonfire was canceled. There was a float contest the day of the game with the sophomore class float taking first place.

. . . to the show that never ends. The Ken-East class of 1980 took to the stage for this year's senior show with no holds barred. Among the targets for the class were the Administration, fellow students, and the school itself. Perhaps the most talked about act was "Y.M.C.A." performed by the "Village People." The song "It's Not Too Late" proved to be popular with the audience. Other successful skits were "Bustop" a tale of a robbery at a bus stop, "Crunchy Frog", and WANG-TV's 11:00 report. Several dances, not to mention a striptease, added variety to the show. Everyone involved with the show enjoyed themselves – especially the audience.

Tom Tricoli and Amy Hutchinson put feeling into their music.

Kathy Coleman and Carol Boughton remove their clothing.

Jim, Tom, Beth and Nancy perform "It's Not Too Late."

Mike Sheridan: another one of those "Village People."

Bill Dein and Dave Coates enjoy "Dull Moments."

Carol and Randy demonstrate finesse while introducing acts.

It's Not Too Late (Our Song)

When I was small I set a goal,
I have now begun that role,
Then you weren't a part of my life.

I'll have to go away,
But I'll return on another day,
'Cause I know I love my little girl so much.

If you want, you can wait,
Tell me now it's not too late,
How much love do you feel for me.

Little girl send them away,
Let my heart be the one to stay,
Tell the world that you belong to me.

When I return again,
It can be like it's always been,
If you still have those feelings for me.

There's a building I want to raze,
To bring it down from the haze,
That's the way that it has to be.

Let us rebuild it strong and tall,
Like a love that'll never fall,
We can do it if you want to try.

You know I've fought and why I've won,
Now let me be your only one,
Say the word little girl: forever.

Music: Jim Hyzy

Come Blow Your Horn
Smashing Success

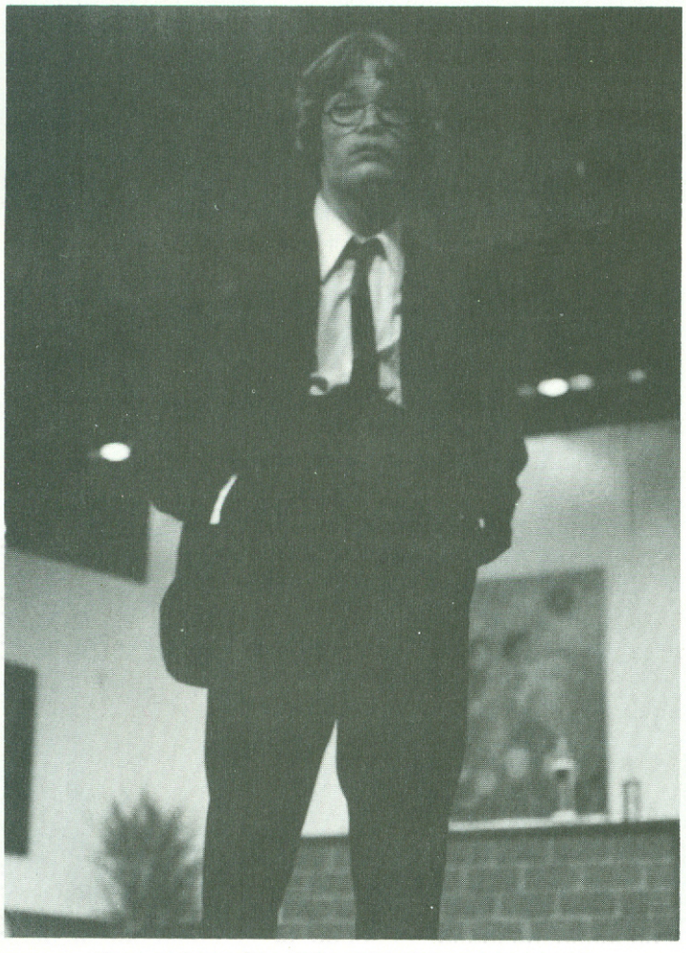

Come Blow Your Horn, presented on November 9th and 10th, was the first Neil Simon play to be performed at Kenmore East. The production proved to be popular with the student body, attracting larger audiences and bigger box office receipts than plays in recent years.

Dave Goodrich and Tom Tricoli, familiar comic performers at East, were treated to frequent applause and appreciative laughter by the audience. Goodrich was featured as an irate father and owner of the largest artificial fruit business in the East; Tricoli played his wayward son. In his first appearance on the Kenmore East stage, Larry Smith delighted the viewers with a convincing and amusing treatment of Alan Baker, the girl-chasing playboy. Turning in solid supporting performances were Amy Hutchinson, Sandra Palanker, Patty Donati, and Felicia Fink.

The visual impact of the show was enhanced by the imaginative setting created by Nancy Sexton and Janice Adams. Heading the production staff were student coordinators, Lisa Coppola and Kim Davis. Stage direction was by Mr. Cranston and student director, Beth Rosch.

Buddy (Tom Tricoli) watches Connie (Amy Hutchinson) and Alan (Larry Smith) make up.

The irate father (David Goodrich) in a pensive mood.

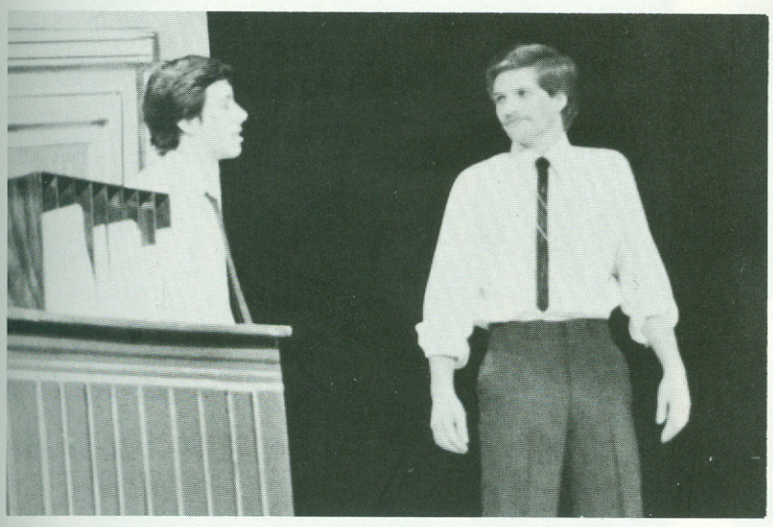

Peggy Evans (Patty Donati) attempts to "woo" Alan.

Rosemary and her friend Smitty (Sue McGuire).

The girls persuade Rosemary to marry Finch.

Good guy Finch and bad guy Bud Frump (Mike Denler)

Finch falls for a Frump folly.

Twimble (Dave Goodrich) and Finch work in the mailroom.

The Seventies

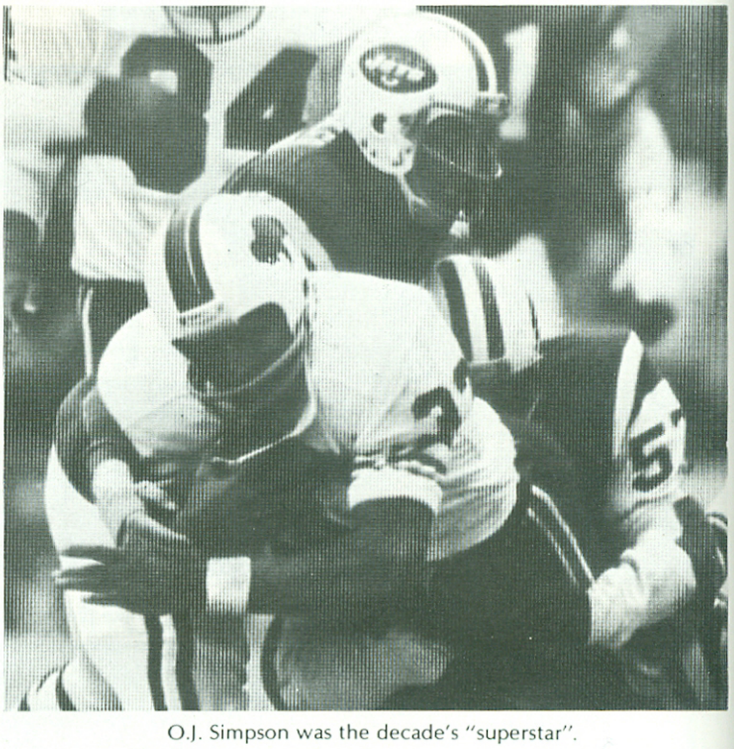

It was a decade that could stand up against any in history as a decade of change. It had its moments of joy, fear, anger and frustration. At the start, there was Vietnam, then the Middle East, an energy crisis, Watergate, a President resigned, a bicentennial was celebrated, and Iran. Streaking, skate boarding, disco, punk, jogging and roller skating all had their moments. "All in the Family", "M*A*S*H", "The Mary Tyler Moore Show," "Happy Days", and "Saturday Night Live" dominated T.V. At the movies we saw "The Godfather," "The Sting," "Star Wars," "Jaws," "Rocky," and "Star Trek." Names like Redford, Fonda, Hoffman, Pacino, De-Niro, Keaton, Dunaway left their imprints on us. Simpson, Ali, Jenner, Spitz, Straubach, Jackson, Bench and Erving were all big in sports. Like all decades the Seventies had old and new, good and bad, and everything in between.

Watergate caught the attention of all.

The Munich Olympic games were marred by terrorism.

O.J. Simpson was the decade's "superstar".

"All In The Family" most popular of Seventies' television.

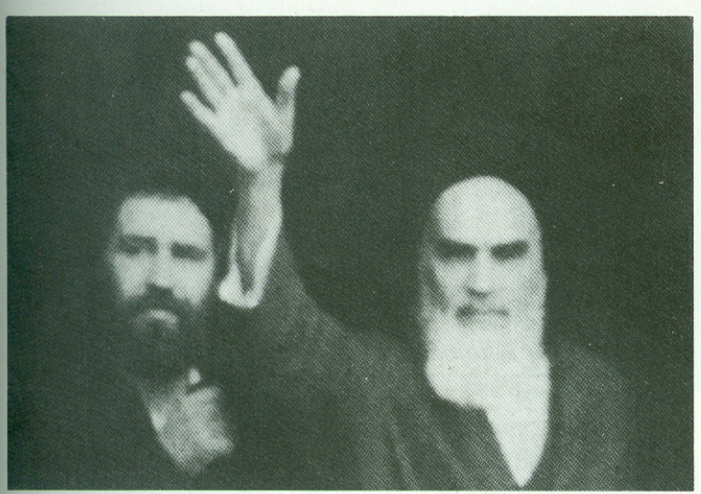

Tragedy at Kent State.

Gerald Ford replaced Spiro Agnew as Vice-President, and then replaced Richard Nixon as President.

America celebrated its Bicentennial in '76.

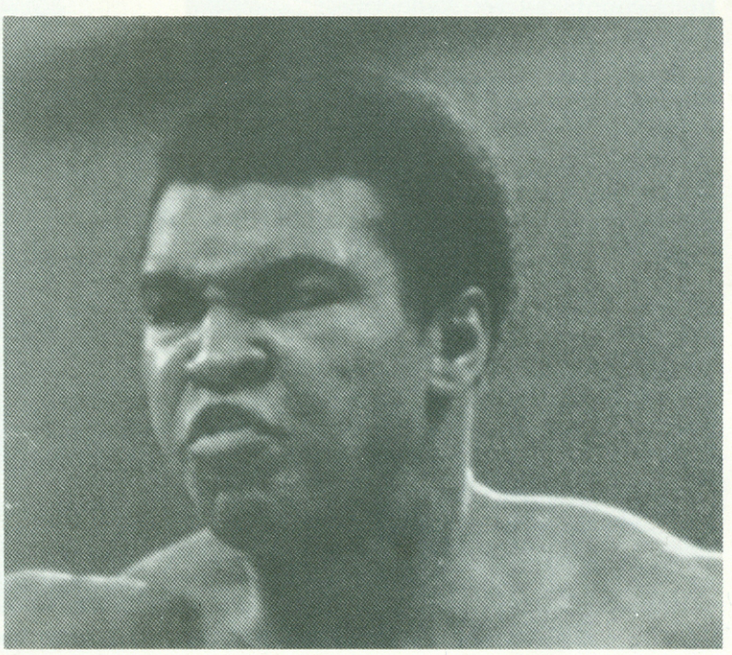

The Ayatollah Khomeini of Iran.

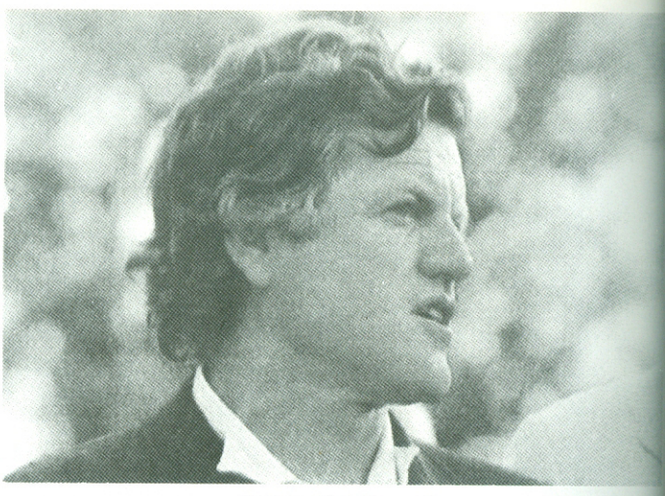

Pope John Paul II.

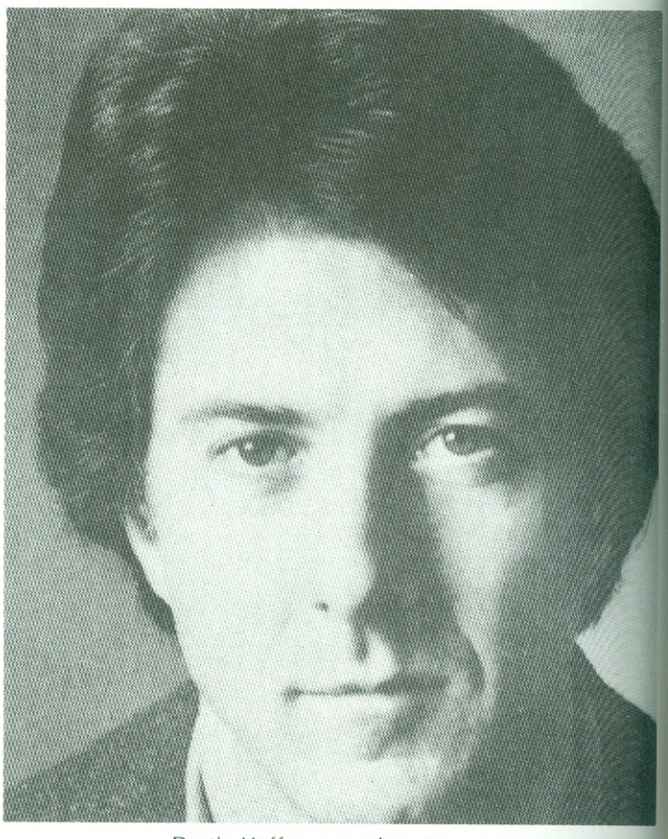

President Jimmy Carter.

Muhammed Ali: Personality, boxer, champion.

Senator Ted Kennedy.

Dustin Hoffman: number one actor.

1980 Student's Opinions

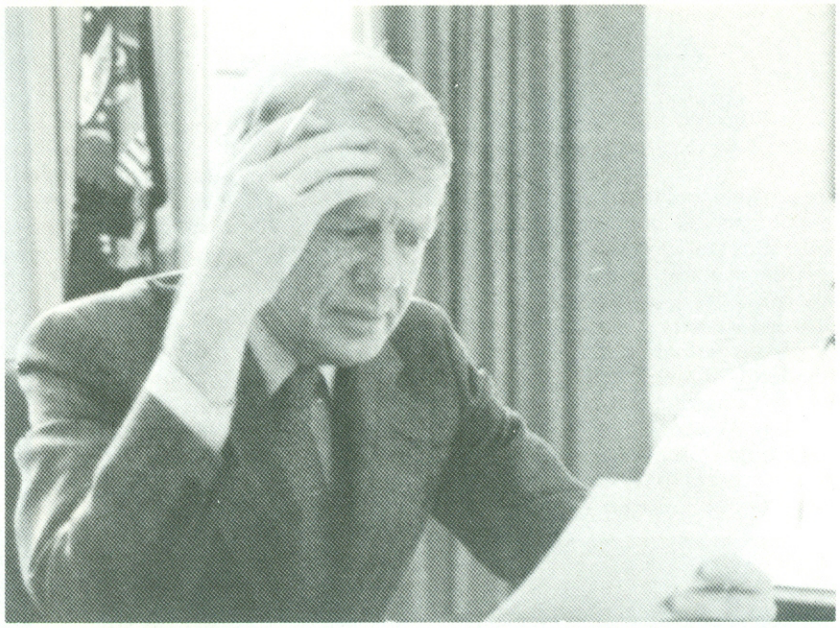

As the 1980's begin, Iran dominates the news. Students spend their weekends partying. Groups like Supertramp, The Who, and Led Zeppelin are heard on the radio along with Billy Joel and Bob Seger. Dustin Hoffman and Jane Fonda entertain us on the silver screen. "Star Trek" and "The Deer Hunter" are the big movies. "M*A*S*H", Robin Williams, and Miss Piggy are popular on T.V. George Carlin, Steve Martin and Richard Pryor make us laugh. As for the next president, students seem to feel that Jimmy Carter will be re-elected, but no one quite counts out Ted Kennedy.

"Star Trek" was popular with students.

Jane Fonda: top actress.

A Creative Collage

Kenmore East is more than classes, sports and clubs. Many of our young people possess refreshing ideas and are able to express themselves in many ways. Students display their talent in the form of poetry, paintings, and photography. This section is dedicated to inspiration of the students of today, who are the Frosts and Rembrandts of tomorrow. Each student's name can be found under his or her work.

Up From Nowhere

There is sometimes found in another human
A Quality that takes away fear . . .
It's an outstretched hand,
An open heart and mind,
A listening ear.
It's so often a prayer offered in faith,
A moment spent in silence and strength,
A quiet voice saying,
"I am here. You are not alone anymore."
The fear and pain of life fall away
Onto the ground as freshly cut hay
And are soon swept away
To become a part of that which is past.

On Eagle Wings

Flying, soaring, high through the trees . . .
Gliding on eagle wings,
I am freer than free.
I've been set loose from the chains
Which have bound me to earth.
I've taken the Lord's hand
And experienced new birth.
With faith as a limit,
The sky has no end;
Take His outstretched hand . . .
The Lord's waiting, my friend.

Oh, why can't I have the dreams I wish
and my wishes come true.
Why can't I have the fantasies I fantasize
and have all my ideas turn out right, Old man
Life that's all that I ask of you,
To live each day in the light of happiness,
Follow each rainbow no matter what happens,
to have, the love I deserve,
Oh why have I nothing but loneliness
Oh why can't I have some happiness
Oh why have I no one to love

Memories

Memories are made of things,
that happen everyday.
Moments as we live the,
things we do or say.

Little bits and pieces,
of laughter mixed with tears.
Paragraphs and pages,
Written through the years.

The friendships we remember,
mistakes we regret.
The ending of a love,
we never could forget.

We can't erase the sadness,
or edit out the tears.
We can't undo the wrongs;
we can't relive the years.

But since memories keep on building,
each day can be the start.
Of making new and happy ones,
to store within the heart.

Friends

Friends are for sharing one's love,
friendship, and happiness.

Keeping the secrets that lead to one's
hope and sharing the sorrowful
feelings of one's heart.

Caring to help when one's in need of a
friend, and to share one's word with
kindness.

If there should be friends as close as us,
the world would be a mine of gold.

Man's Greatest Need

To be free as a child
with an imagination like an endless sea
and a dream that never dies.
To give love
freely and cheerfully to all who need it
without expecting anything in return.
To be innocent as a newborn baby
and live one day at a time
without worrying about the future.
If only men were like children;
for dreams, and love, and innocence live on forever.
But malice, and hate, and wickedness smother life.

Phyllis Macdonald

My friend/My love

And I search.
  someone to love
  to love me.
To laugh with me
  at me
But more,
  to cry with me,
  on me.
And I find you
  give you all of me
  take you.
If I lose you
  lives change
  different roads
We will be together
  love will bond
Us always

Guidance Counselors Prepare Students For Careers

The Guidance Department at Kenmore East helps to make students' years here a little easier. Counselors deal with students' career choices, problems, college choices and many other questions. They give students suggestions which enable them to make their own choices and often greatly influencing their futures. The career center in room 217 provides information about the occupational opportunities open to a high school student. Guidance counselors also help by providing personal counseling. A major goal of the guidance department is helping students find satisfaction in future careers. By trying to teach students awareness of opportunities, they may make a wise career choice which reflects their abilities, personalities, and interests.

Librarians

Librarians at Kenmore East encourage students to use the library as an aid to learning. An excellent collection of books chosen to support our curriculum is available. The librarians, by showing students the fundamental techniques in using the library's resources, help students to accomplish their educational tasks. Their aim is to assist students in aquiring library skills that will be indispensible for college research.

Driver Education Stresses Safety

The Driver Education Program at Kenmore East is centered around the concept of defensive driving. The actual driving in the course ranges from the very simple maneuvers of left and right turns to the complexities of city and thruway driving. Students are also taught emergency evasive maneuvers and stick shift type vehicle operation. Students drive in all types of weather, including snow, sleet, rain and ice. Defensive driving is always stressed. The combination of classroom instruction, movies, and first hand experience and guidance at the wheel of a car helps assure students of confidence and good skills.

Work Study Provides Jobs

The Work Study Program represents an ideal opportunity for Kenmore East seniors to fulfill their curriculum while earning a substantial income and acquiring valuable work experience. In this program, students receive actual on the job training with local businesses, providing excellent opportunities to meet and work with adults. Students also learn how to best prepare for jobs and how to hold a job after graduation. Through this first hand experience students can prepare for post high school employment by encouraging businesses to hire them after graduation. Students in the Work Study Program also receive extra credit for their work experience which counts toward graduation.

The Resource Room helps greatly in improving a student's overall program of study in school and in the future.

English Department Finds New Programs Successful

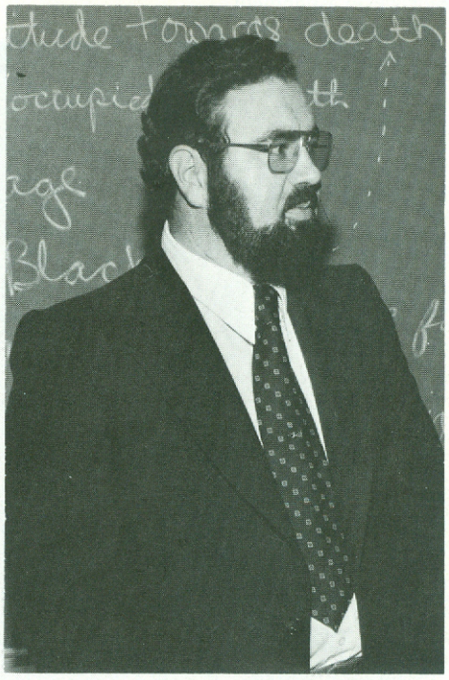

The English Department is expanding new programs which have been initiated over the last several years. The English 12 program presents several alternatives to seniors. In addition to the ten-week elective program, three other choices are offered. Two full year Advanced Placement courses are taught this year for students who wish to take the A.P. Exam in English or to continue a study of literature on the college level. Humanities, a full course, offers students an interrelated study of English, the arts, the social sciences, and philosophy.

Social Studies Well Received

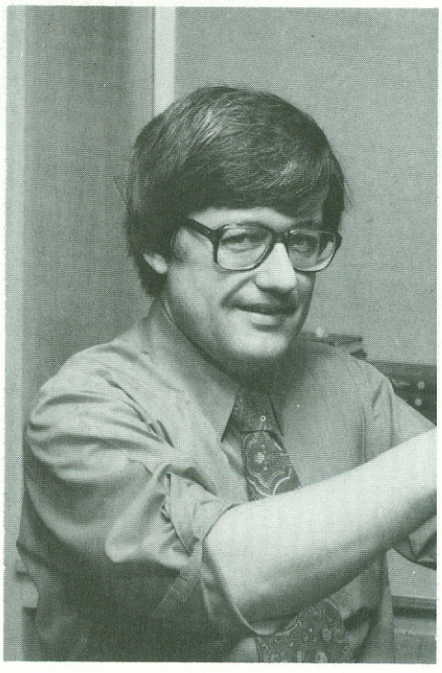

The Social Studies Department has an on-going commitment to provide a highly stimulating and scholarly program for the students at Kenmore East. The focus in the sophomore year is on a close examination of American institutions and history. In keeping with our commitment to such a program the junior year offers a wide variety of ten week electives along with the more traditional full-year European studies course. The Senior year course offerings of psychology, sociology, economics, anthropology, government and contemporary issues along with college credit European and American history are designed for both the college bound student as well as those that will terminate their formal education at the end of the twelfth year.

Mathematics Expands Offerings

The Mathematics Department continues to offer an outstanding academic program and club program to the students at Kenmore East. This year some changes have been made to improve the courses of study in intermediate algebra and twelfth-year mathematics, and the computer facilities have been expanded to provide in-depth, hands-on computer experience for a greater number of students.

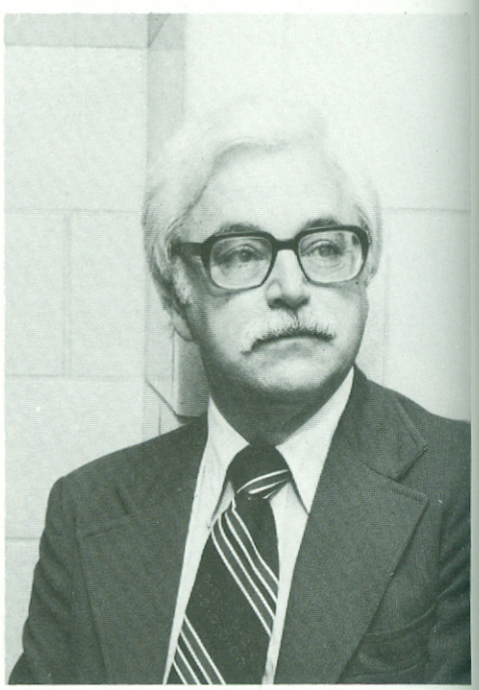

Planning is now underway to revise the honors courses to accommodate accelerated students who will be coming to East next year from the junior high schools. These students will have an additional year to study an even broader range of topics in mathematics at the high school level than has been possible in the past.

Language Offers Insight

The Foreign Language Department was saddened early this year by the untimely death of Mrs. Irene Pearson, who had taught German for many years here at East. In December, we welcomed Mr. Louis Pazderski, who came from Hoover Junior High School to assume Mrs. Pearson's duties.

Films, slides, records, and colorful, informative bulletin boards add dimension to the classroom instruction. Many class activities, especially in the advanced classes, give students insight into the every-day lives of the people whose language and countries are being studied.

Since knowledge and understanding of other cultures become more imperative every year, more students are expected to enroll in the Foreign Language programs in the near future.

Industrial Arts Prepares For Occupations

The Industrial Arts Department continues to correlate its program with processes used in industry. Plans are underway to add facilities and make necessary changes in the curriculum in preparation for an additional class in the 1981-82 school year. It is hoped that the Industrial Arts Program can be broadened to include new areas of study.

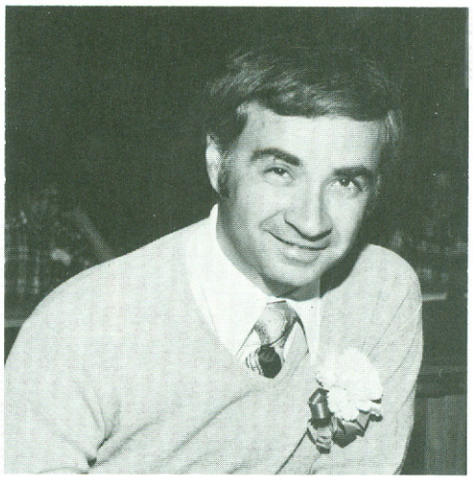

The teachers of Industrial Arts are constantly aware of changes in industry and try to include them in their courses of study. Another aim of Industrial Arts will be to include more girls in the curriculum in the future.

Home Economics Has Student Appeal

The Home Economics Department provides an opportunity for students to prepare delicious meals typical of those "South of the Border," or other exotic places, and chances to learn more about ourselves, our families and our role as future parents. Activities are provided in which students develop basic skills for surviving on your own in future years. Some highlights of the year are holiday baking in the foods department, a fashion show in which most clothing students participate, and an opportunity to observe children and to participate in play experience with them.

The department of Physical Education once again follows a co-educational format of instruction in elective activities. With the school year divided into 10 blocks, a wide range of offerings are provided to all students.

This year the fall season offered soccer, flag and touch football, aerobics, speedball and tennis. Inside winter activities included gymnastics, volleyball, basketball, wrestling, conditioning, weight lifting, archery, jazz and disco dance, handball, swimming. In spring students had a choice of slimnastics, ping pong, softball, swimming, badminton, tennis, fencing, track and field events, and orienteering.

The staff hopes that the desires of the students for new and challanging activities will be fulfilled now and the future.

In Memory of Mrs. Irene Pearson

We at Kenmore East were saddened this year by the untimely death of Mrs. Irene Pearson; she was an esteemed teacher and friend to all that knew her. Mrs. Pearson willingly shared her knowledge, talents, and experiences with students and colleagues alike.

Irene Pearson had taught English and German at Kenmore East since 1961. A native of Berlin, Germany, she came to the United States with her family in 1938. Mrs. Pearson earned degrees from Syracuse University and Albany State Teachers College, and was a member of several teaching and educational organizations.

Mrs. Pearson's legacy to Kenmore East is one that will continue to affect students, teachers, and staff. Her work with the National Honor Society will long be remembered. Her pioneering work with the Basic Competency testing laid the ground work for the success of this program. The German Club at East also benefited from Mrs. Pearson's leadership. Students who traveled to German speaking countries with Mrs. Pearson will remember those excellent educational opportunities. And Mrs. Pearson's courageous struggle against her illness set an example that anyone would be proud to emulate.

Kenmore East lost much with the passing of our friend and teacher. She will long be remembered fondly for her unselfish service to the youth of our community.

Student Forum Starts New Decade

As Kenmore East plunges into a new decade, so does Student Forum. This year Student Forum gained added support from new administration members. Membership in our student government numbered up to 200 students, which makes our student government one of the largest in the state.

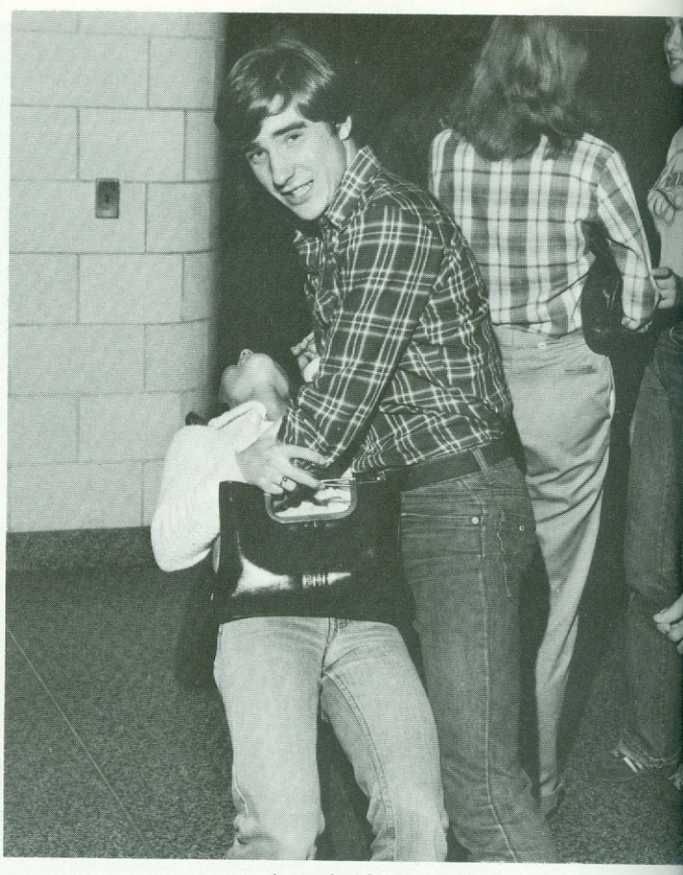

Politically, our Forum was very active this year. Subjects pursued ranged from the possibility of a smoking area to trying to get a student on the Board of Education. Forum worked to raise school spirit by sponsoring many activities. Some of these included: Carnation Day, Slave Day, the United Fund Drive, Blue-Gold Weekend and Wind-Up Weekend.

Company of Song Acquires New Voices

Company of Song acquired many new members this year. The group is a mixed chorus consisting of fifty-five members, chosen through individual auditions. The group, along with Amy Hutchinson, pianist; Mike Weimer, drummer; and Mark Amend, bass guitarist; performed many times throughout the year all over Western New York. This year's show featured a choreographed musical revue of the Academy Award winning songs along with many other popular and traditional pieces. In addition, Company of Song performed R. Vaughan Williams' **Fantasia on Christmas Carols** along with the Ken-Ton Symphony Orchestra, in November. As in the past, Company of Song had a very successful concert tour.

The group this year was led by their director, Mr. Thomas Doyle.

Girls' Chorus Sings With Variety

Girls' Chorus, this year, numbered seventy singers. There are no auditions required and this group is open to anyone who wants to improve her singing voice. The group performs out of school as well as at Ken-East. Chorus sings pop, classical, and show music and some numbers include choreography. The arts Festival and N.Y.S.S.M.A. Competition will be the highlights for the end of the year.

Orchestra Has Quality Sound

This year's orchestra is somewhat smaller than in the past, but the quality of musicians is as high as ever. The group has been busy preparing for concerts and competition, playing for the annual musical, and working towards an exchange trip in the spring. They perform at Artpark in the spring and for graduation in June. One violinist, Caroline Criscuolo, was selected for the All-State Orchestra. Pictured at left, with Caroline, are Trina Mitchell, Tom Tricoli, and Mike Denler, also selected for the All-State Orchestra and Chorus. The All-State Conference was held at the Concord Hotel in the Catskills. Members practiced for four days and then performed at a gala concert.

Kenmore East Band Adds Excitement

The Ken-East Band can be seen at every football game displaying their school spirit. Under the direction of Mr. John Hathaway, these students march with obvious talent. As football season ends the band refuses to be silenced. They are involved in money-raising activities to benefit their school and organization. The band has had a very successful year and looks forward to renewing their spirit again this fall.

Never Ending Smiles Boost the Bulldogs

Under the leadership of Captain Joanne Kelly and Co-Captain Mary Beth Joyce, the 1979-1980 cheerleaders support the many athletic teams of the school.

The girls begin practice sessions during the summer and work hard throughout the year to keep their cheers uniform and full of enthusiasm.

Highlighting the year was Blue-Gold Weekend. Aside from performing in the pep rally, the girls participated in the float competition. They received the title "Most School Spirited" with their theme "Super, Super That's What We Are."

Plans for the future include Annual Alumni Dinner, and an end of the year banquet.

Honor Society Helps Others

National Honor Society is open to members of the Junior and Senior classes who meet the academic requirements and display character, leadership, and service.

This year the National Honor Society has about 90 members. The group is under the leadership of President Jim Leous, Vice-President Ed Tato, Treasurer Chris Frank, and Secretary Donna Dietrich.

The most important activity of the National Honor Society is the tutorial service that it offers to students who need assistance. Members share their studyhall time and free time after school with others.

The annual banquet was held at Romanello's Prime Rib. The National Honor Society would like to thank faculty advisors Mr. Klose and Mrs. Vitello. They would also like to thank Ms. Pepin and Mr. Jack for providing guidance and help throughout the year.

IT'S ACADEMIC COMPETITORS

It's Academic Welcomes New Members

The primary function of the It's Academic Club is to select and prepare a three person team to compete in WIVB-TV's interscholastic battle of wits. This year Mrs. Vitello and Mr. Potts served as advisors. Because of a scheduling problem, a partially prepared It's Academic team participated in the first show of the season and consequently lost. A team is presently being trained for next year. The club meets once a week. New members and those just wanting to see what It's Academic is like are always welcome.

GAA Supports Girls' Sports

The purpose of the Girls' Athletic Association is to support and encourage girls' athletics. This year under the leadership of President Kristin Urbanczyk, Vice-president Bonny Sterry, Treasurer Ellen Delehanty, Secretary Michelle Jahren, and the watchful eye of Advisor Miss Fuller, they had another year of successful activities. The girls took part in the jacket sale and the annual broomball game against Kenmore West. The year ended with the annual awards banquet.

VARSITY CLUB OFFICERS

Varsity Club Serves Several Functions

Varsity Club is not only a social organization of boys who have earned varsity sports letters, but a club which performs various service projects for the school. One of which is to provide ushers for home athletic events. The club also sponsers the annual T-shirt sale. The club is advised by Mr. Dennis Cianfrini.

Drama Club Supports Theatre-Related Activities

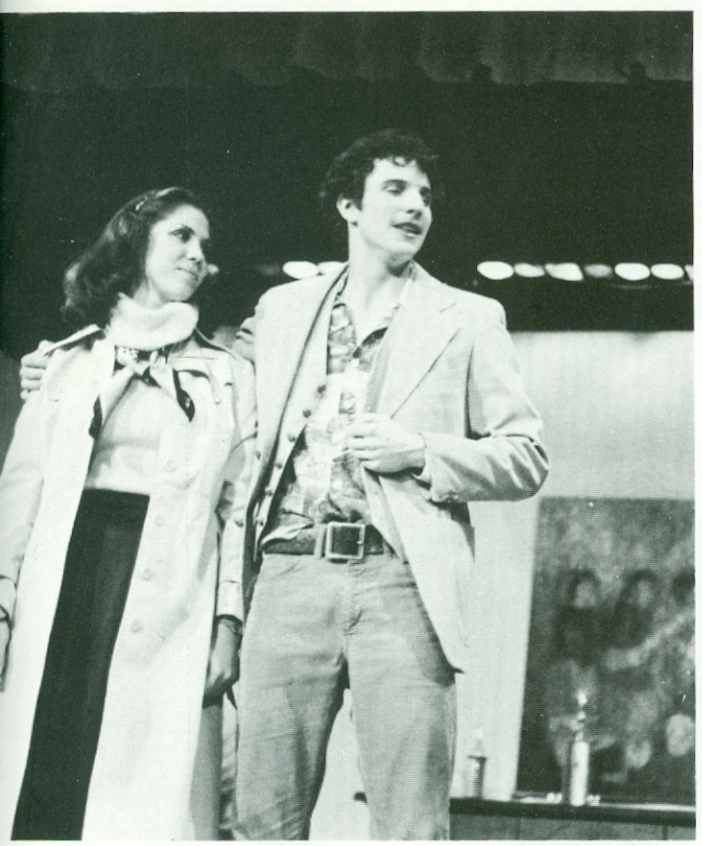

Drama Club continues to be active in supporting theatre-related activities at Kenmore East. President Nancy Sexton, with the help of officers Renae Wilder and Beth Rosch, organized a group to work on a Drama Club float for Blue-Gold Weekend. As a fund-raising project, the club co-sponsored the Theatre Atreus production of **Pippin** at Brighton School in December. At a meeting of drama and music students, Drama Club presented the one-act drama, "Where Have All The Lightning Bugs Gone?" Other activities of the year included an exchange entertainment program with Kenmore West and production work on **Come Blow Your Horn** and **How To Succeed In Business Without Really Trying.**

Eastonian Maintains High Standards

The 1979-80 school year has been a good one for the school newspaper, **The Eastonian.** With advisor Miss Susan Veil, co-editors-in-chief Eve Schillo and Joanne Pera, feature editor Jimmy "Olson" Leous, boys sports editor Don "Clark Kent" Gagliardi, girls sports editor Julie Hanover, photography editor Gregory "Animal" Howe, and a hardworking staff of reporters, the newspaper has produced four fine publications so far and hopes to have two more by the end of the year. Among the big events they have covered this year are: "student close-up: Laura Nelson (for publishing a book of poetry), "Miss New York State Pagent", and even "The Iranian Crisis". Above all, the **Eastonian** strives to inform students while maintaining a high journalistic standard. Just a note of thanks to their staff and advisor for a fun and rewarding year.

AFS Proves Fun And Rewarding

During the 1979-80 school year Kenmore East was fortunate to have five exchange students. The exchange students of 79-80 included Fernanda Costa and Christina Caldas whose brother was at East last year, from Brazil, David Sobrevilla from Peru, Susanna Waegelein from Finland and Roxanne Gasteazoro from El Salvador. The year's activities included the annual Fall and Spring campouts.

Skiers are a fun bunch.

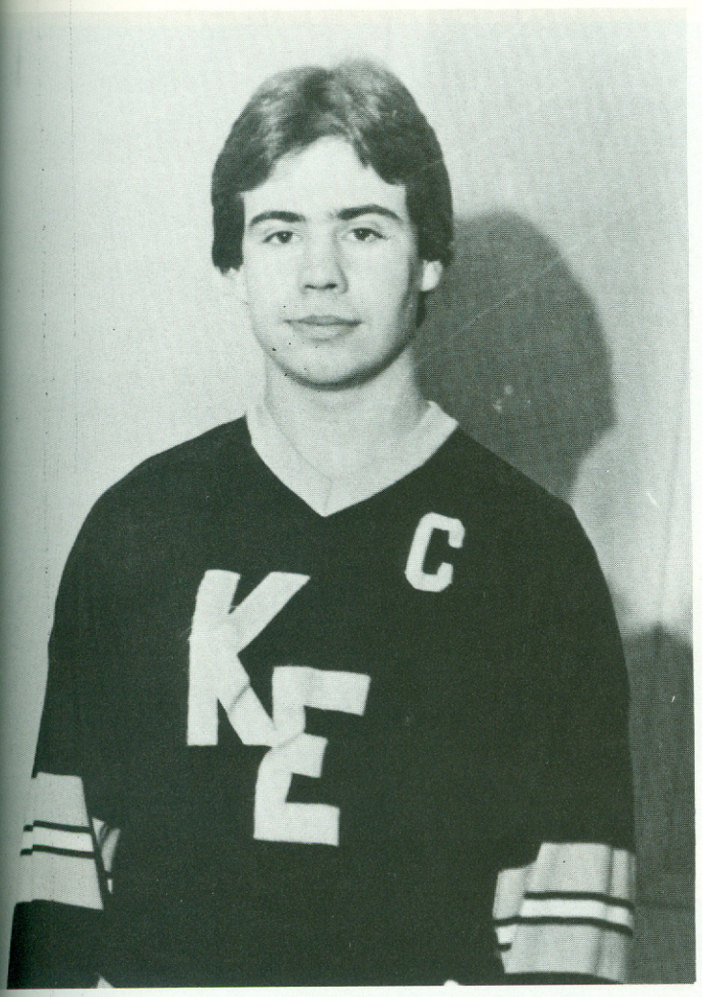

Skiers Hit the Moguls

The Kenmore East Ski Club, which meets four times a month between November and April, makes the best out of their winter while skiing at the popular Kissing Bridge Ski Area. The skiers make the trip on Monday afternoons, snow permitting. They enjoy the skiing and lessons, or in some cases sitting by the toasting warm fire at the lodge. President Dave Coates and Vice-president Kathy Peters made this year's skiing season a most enjoyable and successful one.

Falling can be fun!

Team has winning season

The Kenmore East hockey team had a fine season winning the league championship. A tough Lancaster and Lewiston Porter team gave the Bulldogs a real battle for first place. The strong defensive unit of Dave Cosentino, Steve Schlay, John Evans, Jeff Westerman, Tom Dendas and Rich Engler kept opponents to a minimum of goals. The two offensive connections that led the scoring drive for the Bulldogs were Tom Conwell – Kyle Pray and Perry Miceli – Terry Cahill. These four helped in many of the Bulldog goals this year. The excellent forechecking of forwards Jim Ellsworth, Brian Welch, John Prohaska, Tim Hulub, and Joe Hurliman contributed greatly to the Bulldog cause. The outstanding goaltending of Paul Graziani, Al Okun and Joe Moddar kept the Bulldogs in many games that might have been lost. The highlight of the year was the Bulldogs winning of the St. Francis hockey tournament. The Bulldogs beat Lancaster 6-3 with Perry Miceli receiving the MVP award.

Horsebackriding Club Has Adventures

Horsebackriding Club is new to the yearbook, but not to Kenmore East. Previously, groups of students have taken trips to go riding, but the club became official this year. Every Monday afternoon, members of this club join with other experienced riders in an enjoyable afternoon. Horsebackriding Club meets only in the fall, but memories of these pleasureable times last all year.

Booster Club Notes Accomplishments

Booster Club works to raise school spirit. They try to support all sports teams and sell refreshments at many functions. This year they invested in a banner for all the N.F.L. champions and decorated new showcases. Our homecoming game was against Orchard Park; here we sponsored many events: carnation day float competition and a parade. Another big event was the Talas concert at which attendance was outstanding! The annual candy-cane day was held just before Christmas vacation. Booster Club accomplished much this year, as well as having fun.

Football Ends In Disappointing Season

The 1979 Football season was a disappointment to the Bulldog players and coaches, but the 2-5-1 record was highlighted by the Bulldog's 30-6 victory over Sweethome. Tri-captains Jeff Heisler, Jim Hyzy, and Rick Vastagh deserve special recognition for their fine efforts during the season. Special recognition also goes to Jim DiNezza and Don O'Brien for making the Division I All-star team.

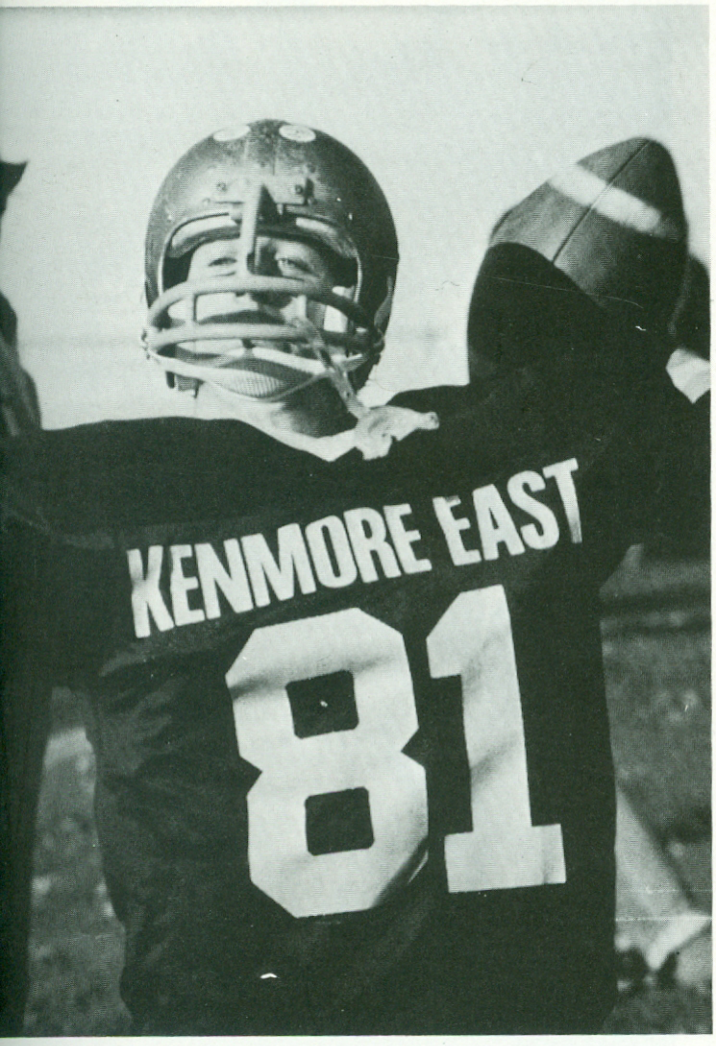

J.V. – The Junior Varsity Football team had an impressive 5-2-1 record under the coaching of Mr. Lou Reuter and Mr. Paul Yakapovich.

Soccer Finishes As Section VI AAA Champs.

After two mediocre seasons, the boys Soccer team came through to form a championship team with a 14-2-2 record. This enabled them to become Niagara Frontier League champions as well as Section VI AAA champions. This was Coach Sturm's eighth title in the last sixteen years. The team was led by Co-Captain Mark Cianciosa, Co-Captain and All-Star Scott Taylor, as well as first team all-Stars Gary Konitsch, Bob DiNunzio, and Dave Tucker. Also making big contributions were second team All-Stars Gianni Bussani, Randy Fahs, Gary Kopacz, and Chris Nardeccia. The Bulldogs feel they will have a strong returning team led by next year's Captain and this year's leading scorer, Bob DiNunzio.

Cross Country Bull Dogs Show Promise

The 1979 Ken-East Cross Country team finished in the top half of the NFL with a won 5 and lost 4 record, despite losing a couple of heart breakers due to key injuries. The team was led by captains Ed Tato and Nick Backman, and by junior Robert Ross. Both Ed Tato and Robert Ross gained All-League honors. Erich Bachman became the first freshman in Ken-East Cross Country history to gain a varsity letter. Other key runners who contributed to the '79 season and to look for in the upcoming season are juniors Mike Weimer, Dave Palmer, and Tom Lundquist, sophomores Chips Assad and Brendon McGillicuddy, and freshman Jim Fix.

Baseball Makes Playoffs Again

Pete Steffan works hard in practice.

The Kenmore East Baseball team finished its season with a 7-8 record, good enough to make the playoffs. There, they lost to Lancaster to end their season. The team, which lost five in a row at the beginning of the season, rebounded to win 6 straight, starting with a 12-8 drubbing of LaSalle. The team leaders were Ken Ruta, Rick Pendleton, and Terry O'Brien, both of whom had fine seasons. There were also many other contributors in this team effort, and next years team should do very well.

Kenmore East Tennis Team Takes N.F.L. Crown

The Kenmore East Boys' tennis team was led by coach Bob Andujar and captains Dave Coates and Ralph Critelli. The team dominated the league, as it had a perfect 13-0 season. This is the first time in Kenmore East's history that the tennis team made it to the section VI finals before bowing to a powerful Sweet Home team. 1**st** singles star Ruth Englander and Kyle Pray at 3**rd** singles both earned All League honors. Also earning honors were the 1**st** double tandom of Dave Coates and Ralph Critelli, and the 2**nd** doubles team of Gary Peters and Chris Grande. These two doubles teams were both undefeated, with a perfect 13-0 record. Ruth Englander and the tandem of Critelli and Coates represented the N.F.L. in sectional play.

KENMORE EAST FONDLY REMEMBERS

Elizabeth Hill

classmate and friend

Because of a friend . . .
Life is sweeter, stronger, fuller,
a more gracious thing for the friend's
existence, whether he be near or far.
If the friend is close, that is best;
but if he is far away, he is still there
to think of, to wonder about . . . to serve
to honor, to admire, to love.
—Arthur Christopher Benson

VARSITY CLUB

Congratulates the Graduates
of
1980

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.
