

Decorating Graduation Caps: Guidelines

Prohibited Decorations:

1. Keep it Classy: Choose decorations that are tasteful and appropriate for a formal ceremony. Do not use offensive language, symbols, or images.
2. Avoid Controversy: Steer clear of controversial topics, political statements, or anything that may cause discomfort or offense to others.

Guidelines for High School Seniors on Decorating Graduation Caps:

1. School Spirit: Incorporate elements of your school colors, mascot, or logo to show pride in your alma mater.
2. Personal Touch: Add personal touches such as your name, graduation year, or a meaningful quote that reflects your journey and accomplishments.
3. Inspirational Messages: Choose positive and uplifting quotes or messages that inspire and motivate you and your peers.
4. Respect Tradition: While creativity is encouraged, remember to respect any guidelines or restrictions set by your school or graduation ceremony organizers.

Principals will approve the graduate's cap – **not** the class sponsor. You should establish a system at your campus for how you will approve these.
