**Unleash your creativity this summer at KidzArt's Animal Friends Art Camp!** Calling all animal lovers! This exciting week is all about celebrating the pets we adore—furry, scaly, slimy, fuzzy, or even slippery! From playful puppies and curious kittens to colorful fish and cool lizards, your favorite animal companions will come to life through vibrant art projects. Campers will create stunning paintings of parakeets on canvas, sculpt cozy pet habitats in clay, and explore a variety of fun art materials like watercolor, oil pastels, and illustration markers. With KidzArt's unique, encouraging approach, kids will build confidence, creativity, and a “can-do” attitude—all while having a blast making art! Students must be picked up by an adult 18 years and older—no transportation.
