**PRESENTS**

# MINI MEDICS AND NATURALISTS

## August 11th—August 15th

**TIME: 9 AM—5 PM**

**FEE: \$ 401**

**GRADES: K-6 (25-26 Grade Level)**

**LOCATION: HAMMARSKJOLD**

**9 am—12pm Jr. Naturalist Camp** Track it, build it, dissect it—get wild with science! Get ready to uncover the wild side of nature as you learn how birds swoop, beasts pounce, and bugs sneak through the food chain! Discover how animals adapt to their environments and how wind, water, and weather shape life on Earth. You'll build your own **wooden birdhouse**, dissect **real owl pellets**, and follow invisible **scent trails** just like wild animals! Then get your hands dirty building a **bug house**, spotting local critters, and creating **plaster animal tracks** to take home. Nature is calling—are you ready to explore?

**1pm—4pm Jr. Physicians Camp** Step into the lab and uncover the awesome science of YOU! Grab your goggles and gloves—it's time to go *under the skin* and explore the incredible systems that keep your body running! Build a **model cell**, inflate your own **pair of "lungs"**, and piece together the bones and muscles that help you move. Then, get sticky with **Mad Mucus**, squishy with a **mashed potato brain**, and learn just how awesome the human body really is—from the tiniest cells to the strongest bones. Science has never been so hands-on!

Camp Schedule:

9 am—12 pm: Science Camp

12 pm—1 pm: Lunch brought from home & play

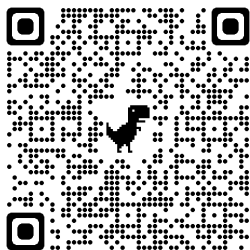

1 pm—4 pm: Science Camp

4 pm—5 pm: Snack brought from home, outdoor play if weather permits, & indoor games

*Students must bring in their own bagged lunch and snack. It is recommended to bring in a refillable water bottle. Students must be signed-out and picked-up by an adult 18 years or older. No transportation.*
