INTRODUCTION

Dear Reader,

We are delighted to present Oakland Schools' annual Summaries and Surveys report, a comprehensive resource detailing the educational landscape of Oakland County. This report is designed to provide parents, educators, and the community with essential data to evaluate and benchmark academic programs across our schools and districts.

The data in this report is meticulously compiled from various sources, including official Michigan Department of Education (MDE) reports. These reports draw from information submitted by every school district and public school academy in compliance with Michigan statutes. While the data covers many facets of school district operations, it is important to consider additional performance-based factors to understand the quality and effectiveness of educational programs in Oakland County.

At Oakland Schools, we firmly believe that every student has the potential to learn and succeed, given the right resources and support. Our mission is to provide services, tools, and knowledge that enhance student achievement, optimize resources, and ensure compliance with educational standards. Through visionary leadership and strong partnerships, we continuously strive to improve student learning across the region.

As a regional service agency, we proudly support Oakland County's 28 public school districts, numerous public school

academies, and nonpublic schools, each with its unique identity and commitment to quality education. In response to changing societal needs and expectations, we have embraced innovation and resilience, discovering new ways to navigate challenges and enhance our support for the educational community. We remain dedicated to reducing costs and increasing efficiencies, ensuring that every student in Oakland County is prepared to thrive in a global economy.

We invite you to explore more about Oakland Schools, our programs, and the

districts we serve by visiting our website at www.oakland.k12.mi.us. Your feedback on the Summaries and Surveys report is invaluable to us, and we encourage you to share your thoughts with the Department of Communication Services at communicationservices@oakland.k12.mi.us.

Warm regards,

Dr. Wanda Cook-Robinson

Oakland Schools is an autonomous, tax-supported public school district governed by Michigan General School Laws and is one of 56 intermediate school districts (ISDs) established in Michigan in 1962.

Oakland Schools organizes our strategies around these central objectives:

- Increase student achievement
- Serve diverse needs of schools
- Decrease costs/increase efficiencies

OUR BELIEFS

We believe:

- It's about service.
- Students form the lens through which our best educational decisions are made.
- All students can and will learn.
- Collaboration builds understanding.
- Education is a shared responsibility.
- Our success depends upon our employees.
- Change is opportunity.
- Lifelong learning is a key to lifelong success.
- Effective relationships are powerful.
- Differences expand our thinking.
- Visionary leadership creates a dynamic environment.
- We must develop leaders for tomorrow.
- Ethical behavior is everyone's responsibility.

HOW WE ARE FINANCED

Oakland Schools is financed by Oakland County taxpayers through an annual authorized property tax millage. The combined millage rate for 2022-2023 was 3.1658. Oakland Schools operates using three major funds:

- 1. General Education Fund** provides instructional and administrative support for districts and obtains its revenue primarily from a property tax levy. Oakland Schools was authorized to collect .1881 of a mill (\$13.0 million in 2022-23).
- 2. Special Education Fund** is supported by a tax of 2.3925 mills (approximately \$165.4 million in 2022-23) and supports Special Education administration and district services, including compliance support and district and student services.
- 3. Career Focused Education Fund** supports Vocational Technical Education administration, the four Oakland Schools Technical Campuses that serve students from all 28 local school districts at no cost to the sending districts, The County as a Classroom initiative and several specialized technical academies. The fund is supported primarily by a levy of .5852 mills (approximately \$40.4 million in 2022-23).

In addition, Oakland Schools operates three grant funds that are actively sought out to defray costs of regional projects. Oakland Schools serves as the fiscal agent for grants that fund ongoing and pilot projects for the benefit of Oakland County students (approximately \$110.7 million in 2022-23).

For more detailed information about our annual budget, visit the Oakland Schools website at www.oakland.k12.mi.us and click on the Budget and Salary/Compensation Transparency Reporting logo at the top right of the page. PUPIL ACCOUNTING 2023-2024

PRO-RATED MEMBERSHIP FOR STATE AID

PUBLIC SCHOOL MEMBERSHIP

Public school membership reflected in this publication is the 2022-23 spring and 2023-24 fall membership. Membership for Special Education students has been pro-rated in general education grade levels and in Special Education categories based on the percentage of time spent in each classroom.

FULL-TIME EQUIVALENT AND MEMBERSHIP DEFINED

(Michigan Department of Education Pupil Accounting Manual)
FTE is the individual pupil's prorated share of membership. Membership is the full-time equivalent number of pupils enrolled and in regular daily attendance on the official count day in accordance with the State School Aid Act and Administrative Rules. In no circumstance may the reported membership for an individual pupil be greater than 1.00 FTE.

EXCLUDING RESIDENCY ADJUSTMENTS

A residency adjustment occurs when a pupil attends a district (known as the educating district) that is not the pupil's resident district, and the educating district could not obtain a release from the resident district to count the pupil in membership. In these cases, the pupil is listed as attending the nonresident district, but their FTE is subtracted from the educating district's membership report.

TAX VALUATIONS AND RATES

TAXABLE VALUE

Taxable Value is a property valuation calculation utilized by state and local taxing agencies to assess the prevailing tax millage rate. The difference between Taxable Value (TV) and the State Equalized Value (SEV) is the result of voter approved legislation such as the Headlee Amendment and Proposal A. Specifically, Taxable Value has been capped at the annual property value increase or an indexed formula representing an annual inflation factor, whichever is less. Taxable Value will be increased to reflect market value upon the transfer of title/ownership. Typically, for these reasons, Taxable Value lags behind that of SEV.
