What's New?

Lincoln will be the new board paid life and voluntary employee paid life carrier.

During this open enrollment you will have the opportunity to purchase additional voluntary life for yourself and your dependents up to the guaranteed issue amount with no medical questions.

Please note that your current voluntary life elections with the current insurance carrier will not carry over to Lincoln, so you will need to elect the benefit during this May open enrollment period if you were interested in picking up the voluntary life benefits.

Please review and confirm your current voluntary life elections in BenXpress. Changes may have occurred to your current rates. Please update your beneficiary information.

Helpful Tips To Consider Before You Enroll

1. Do you plan to enroll an eligible dependent(s)? If so, make sure to have their social security numbers and birthdates available. You cannot enroll your dependent(s) without this information.
2. Have you recently been married/divorced or had a baby? If so, remember to add or remove any dependent(s) and/or update your beneficiary designation.
3. Did any of your covered children reach their 26th birthday this year? If so, they may no longer be eligible for benefits, unless they meet specific criteria.
