PHARR-SAN JUAN-ALAMO ISD SUSTAINABLE DEVELOPMENT GOALS

Pharr-San Juan-Alamo ISD (PSJA ISD) schools and departments have systemically adopted the Sustainable Development Goals (SDGs).

As part of these efforts, PSJA ISD integrated the SDGs into its curriculum to equip students with pertinent real-world knowledge and hands-on experiences crucial to help them compete at a global level.

PSJA ISD aims to emphasize sustainability at every level through a systemic approach led by a committee of district leaders from various departments including Curriculum, Human Resources, Operations, Health Services, Construction, Transportation, Child Nutrition, Police, and Communications, to name a few.

2024-2025 Campus Executive Summary

- **Mission:** As educators, the teachers and staff at Geraldine Palmer Elementary, our mission is to meet the educational and social-emotional needs of its diverse student population by equipping them with life-long learning skills that build on learning experiences in the areas of academic, cultural, technological and social emotional health. As one Green Jay family, we are committed to build on our legacy of academic excellence and biliteracy by ensuring every student has the experiences and resources to reach their highest levels of achievement.
- **Demographics Summary:** The current enrollment of Geraldine Elementary as of September 5th, 2024 is **648** students. The student population at Geraldine Palmer Elementary consists of 97% Hispanic, 0.15% Asian, 0.62% Black and 2% White. Students classified as low socio-economic status is 91.8% and less than 1% migrant students. Approximately 15% of our student population receive special education services, while 2% receive accommodations under 504. Our Gifted and Talented population accounts for approximately 3% of our student population. The emergent bilingual population is approximately 51% where most of the students' home language is Spanish. The average attendance rate for the campus is 94% and we have an 8.3% mobility rate.
- **Comprehensive Needs Assessment Summary:** Based on Preliminary Scores Geraldine Palmer Elementary will earn a B on the TEA Accountability Rating system, which translates to 88 out of 100 based on the performance in three different domains. In the Student Academic Achievement domain which is gathered 100% from STAAR Mastery of TEKS, based on preliminary scores, Geraldine Palmer's raw score is a 62.5. Palmer's raw score is a 75 in the Academic Growth Domain. This indicates how students at Geraldine Palmer Elementary perform over time and how that growth compares to similar schools. Geraldine Palmer scored 88 in Closing the Gaps, the domain that shows how well subpopulations of students perform within a school. *(Preliminary report from DMAC. AS TEA makes changes to Accountability, these results may change.)*
- **Curriculum/Instruction and Assessment:** Teachers utilize district adopted curriculum and strategies (i.e. Eureka Math, SAVVAS for Science, My View & SAVVAS for Reading, & Forde Ferrier) to teach with a focus on teaching metacognitive strategies. Students that show need will participate in a school-wide intervention period to close the reading fluency gap. Palmer Elementary offers dual-language classrooms in all grade levels. Our goal is to create a campus of fluent readers who demonstrate above average comprehension in their ability to make connections and inferences about the texts they read. Our focus will be on teaching students to share their ideas about what they read through the development of metacognitive and 21st century skills while integrating the 17 sustainability goals and developing their language skills.
- **Summary of Goals:** The Goal of Geraldine Palmer Elementary is to improve student achievement and student progress in Domain I and Domain II. We will do this through the implementation of campus and district systems such as 504, RTI, I-Ready Math & Reading, Reading Boost, SSRW, Estrellitas, Escalera, Summit K12, and DMR. We will increase student mastery of grade level TEKS by utilizing TEKS based, data driven instruction, thus, increasing the number of all students scoring at the Meets and Masters level on STAAR. Our CLL will focus on developing fluency and comprehension through coaching. The Literacy Coach will support ELAR/SLAR through 3rd – 5th grade small pull-out intentional reading support. In addition, we plan to increase consistency of our intervention period to help students reach their academic goals.

Geraldine Palmer Elementary Education Goals

- **Goal Focus Area 1: Student Achievement** - The percent of students who perform at meets grade level or above on STAAR ELAR/SLAR, Mathematics and Science will increase by 10% by June 2025.
- **Goal Focus Area 2: Closing the Gaps** - All identified student groups in the Closing the Gaps domain will meet 100% of the indicators in the Academic Achievement component by June 2025.
- **Goal Focus Area 3: Improve Safety, Public Support, Culture and Climate** - The students' perception for their physical and psychological school safety and attendance will improve by 4% from a 91% to a 95% by June 2025.
- **Goal Focus Area 4: Increase Staff Quality, Recruitment, and Retention** – All teachers will deliver high quality, engaging lessons maximizing at least 95% of the instructional time.

Updated: August 16, 2024		MEET THE TEACHER NIGHT (4:30 – 6:30)			

Good afternoon, Principals.

This year, the state mandated trainings have been placed in **Mobile Mind**. It is mandatory for all of your faculty and staff members to complete these trainings at their own pace by Thursday, October 31, 2024. Please make sure that your faculty and staff access the platform (**Mobile Mind**) via the following link:

<https://learn.mobilemind.io/>

Once your faculty and staff are in the platform, they will need to click on the following box to start working on the mandated training sessions:

The image shows a digital card for a mandated training session. At the top left, there is an orange rounded rectangle with the text "MANDATED TRAINING" in white. In the top right corner, there is a small blue circular icon containing a white lightbulb with a circular arrow around it. The main text on the card reads "Student Services Yearly Compliance Trainings" in a bold, black font, followed by "Complete by October 31st" in a smaller, grey font. On the right side of the card, there is a large green circular button with the word "START" in white capital letters.

If you have any questions or concerns, please contact me. Thank you.

Geraldine Palmer Elementary School
2024-2025 Campus Instructional Focus Blueprint

VISION

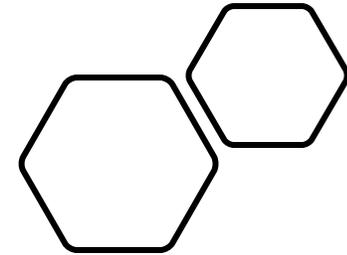

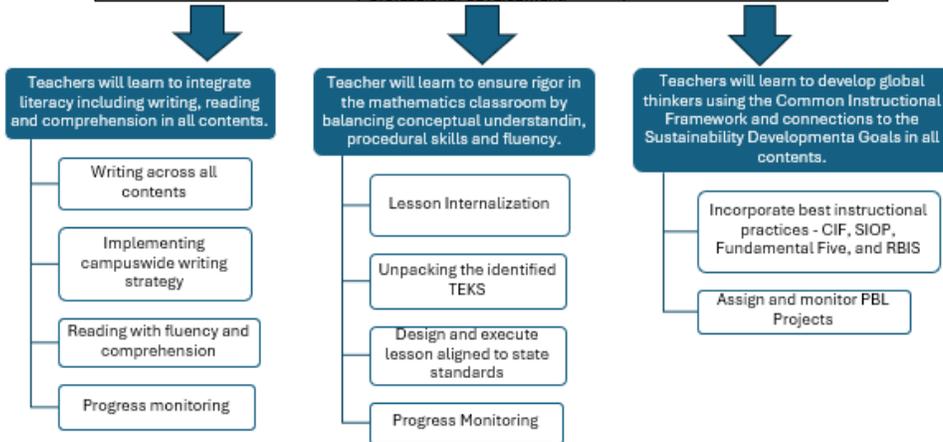

Geraldine Palmer Elementary school vision is to provide a well-balanced education for all students in grades Pre-Kinder through 5th grade. With the support of our parents as well as our community, we envision all children to receive an opportunity to learn and be successful in their learning in order to become productive citizens and future learners.

MISSION

As educators, the teachers and staff at Geraldine Palmer Elementary, our mission is to meet the educational and social-emotional needs of its diverse student population by equipping them with life-long learning skills that build on learning experiences in the areas of academic, cultural, technological and social emotional health.

As one Green Jay family, we are committed to build on our legacy of academic excellence and biliteracy by ensuring every student has the experiences and resources to reach their highest levels of achievement.

Palmer Elementary CLC PD Goals Audience: Campus Leadership Team Frequency: Bi-weekly		
Improve writing, reading fluency and comprehension in all classrooms by offering teachers support and professional development in literacy.	Pursue rigor by balancing conceptual understanding, procedural skills and fluency in mathematics by offering teachers support and professional development.	Inspire global thinkers using common instructional frameworks and connections to the Sustainability Developmental Goals.

Title I, Part A

School wide Components:

1. A comprehensive needs assessment of the entire school(including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.
5. Strategies to attract high-quality teachers to high-need schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.
