Board Approved:

Executive Summary

Campus Improvement Plan: School Year 2024-2025

PSJA Memorial Early College High School

Mission: To provide a high-quality education in a safe, respectful and inclusive environment that builds the foundation for life-long learning. A Wolverine is PROUD – Positive, Responsible, Optimistic, University-Bound, Dedicated.

Demographics Summary: PSJA Memorial Early College High School has an average enrollment of 1938 students of which 97.4% are economically disadvantaged. 47.5% are emergent bilinguals 11.5% are Special Needs and 5.9% are GT. The racial demographics for the school over 98% Hispanic with less than 1% for each of Asian, black, white, and American Indian.

Comprehensive Needs Assessment Summary: SPED, EB, EDC Support because they are combined as a high focus groups (44% down from a 50% from the previous year in RLA and to 36% from 39% in Math at the meets level performance). ECD Meets performance 43% 11 points below the All student group for RLA.

Curriculum and instruction and Assessment: Teachers utilize CIF, SIOP strategies, and AP strategies within their instruction to maximize academic success, with a special focus on English Language Arts and Reading. Our campus has also adopted district- based initiatives for students scheduled in ENG I and ENG II classes. All students participate in Wolverine Time, a thematic based reading and writing program. This program also includes the opportunity for constant classroom discussion which in turn helps increase TELPAS scores. Furthermore, Wolverine Time includes Social Emotional Learning-the process of developing self-awareness, self-control, and interpersonal skills that are vital for school, work, and Instructional success. The mission for our campus is to increase overall STAAR EOC scores in English I and II. A targeted focus is given to re-testers in order to boost Domain II, school progress, as 27% of our students did not meet progress measure. Tutoring sessions are also provided after school and Saturdays to improve TSI scores which will increase STC dual enrollment and students graduating with an Associate's Degree. Since 2018, PSJA Memorial ECHS has exponentially increased in the amount of students receiving an Associate's Degree from South Texas College yearly.

Summary of Goals: The school improvement process will be driven by 3 focus areas. PSJA Memorial ECHS will focus on: (1) implementing a literacy across all content areas approach to improve our English Language Proficiency Rating that will in turn have a positive effect on student achievement throughout all the content areas; (2) Increasing meets performance on first time testers on the Algebra End Of Course Exam; (3) and, increasing the number of Masters performance, especially with our Emergent Bilingual students, on the English Language End Of Course Exam 1 and 2.

Goal Area	Area Reviewed	Summary of Strengths	Challenges
1	Student Achievement	<p>Pharr-San Juan- Alamo provides PSJA Memorial ECHS campus with a standards-aligned Guaranteed and Viable Curriculum (GVC) and scope and sequence. The district curriculum is developed and adjusted after the district content-based assessments and benchmark data are analyzed. The development and adjustment of the district curriculum is led by the C & I department and includes teachers, district content coordinators, and district Executive Officers for each level. The district also provides teachers and campus leaders access to assessments aligned to the standards and expected levels of rigor. A data assessment platform to capture immediate assessment data by item and student is inclusive as part of the curriculum practices and curriculum implementation.</p> <p>In addition:</p> <ul style="list-style-type: none"> Curriculums and assessments are aligned to Texas Essential Knowledge and Skills (TEKS) and included in a year-long scope and sequence. The scope and sequence, units of study, and assessments are aligned to the standards for all state assessed subjects and grade levels in high school. Assessments that are aligned to state standards at the appropriate level of rigor are administered strategically throughout the year to determine student progress. Corrective instruction is built into the curriculums and scope and sequence. Instructional materials with key ideas, essential questions, and recommended materials including content-rich texts, are used across classrooms. The instructional materials include resources intentionally designed to meet the needs of students with disabilities and Emergent Bilinguals among other student groups. Professional development is provided throughout the year in response to classroom observations, formative assessments and campus performance. A Comprehensive Student CCMR Advising Model is implemented for students in grades 8-12 that includes transition to Post-Secondary and Post-Secondary Year handoff to college/university faculty. As a result, there will be an increase of successful completion of CCMR student plans and transition into a two-year or four-year university. All key high school staff and faculty advisors are trained by our IHE (Institute of Higher Education) partner. The TSI Student Success Intervention Plan includes Phase I, Phase II and Phase III Curriculums for math and RLA that have resulted in increases of TSI passing rates. Met standard in Biology, U.S. History, Algebra I Mastery 70% or Higher at the Approaches level Graduation Rate 100.00% Dropout rate 0.0% 	<p>The area of literacy, specifically in RLA comprehension and writing has been a challenge district-wide and great emphasis and resources are being dedicated to this area of need.</p> <ul style="list-style-type: none"> Post Covid Gap Developmental writing must be taught at all grade levels whether it is assessed at the state level or not. Professional development for teaching writing must be provided at all grade levels. Campus schedules need to reflect a dedicated time for writing instruction at all campuses. Wolverine time for Literacy & Writing. High school blocked RLA and writing instruction must be monitored each year for effective implementation. High School RLA, Writing and Mathematics curriculums must be monitored each year for alignment and effectiveness. Train teachers on curriculum effectiveness. CCMR dashboard needs to be monitored and utilized for successful CCMR Plan completion of ALL students in 9-12. Students at the lower third quartile have not been strategically monitored to earn industry-based certificates and earn 9 hours in any subject. The TSI Student Success Intervention Plan must be implemented with fidelity at all high schools with proper tutorials/interventions between assessment. Students being TSI ready requirements is a continued challenge In 2021-22 PSJA Memorial's TELPAS growth rating was 9% below the required 36% In 2021-22, four of the five EOCs did not perform at the "meets" accountability level (60%). 3	Improve Safety, Public Support, Culture & Climate-Including Safety & Violence Prevention	<ul style="list-style-type: none"> Parents have a high rate of participation at campus meetings and community education centers with meeting topics which are general in scope. Parent resources, materials and communications are provided in both English and Spanish. The campus website and parental website informs parents of all events. Parent educators' professional development is based on local, state and national standards for parental involvement. Literacy, computer literacy , entrepreneurship, citizenship, welding and security guard certification classes are available for parents. Literacy centers are accessible and convenient for parents throughout the school district. Community partners provide practical classes for parent's district-wide. Administrators are communicating expectations and applying discipline protocols consistently and fairly throughout the district which has resulted in a steady decrease in disciplinary referrals. All staff is trained on creating a safe school culture and climate which includes a strong focus on customer service. Student resources, materials and communication are provided in both English and Spanish. Parent Academic Conferences [PAC] should be scheduled each six weeks to share student progress. Additional customer service training should be provided on the importance of fostering positive parent/teacher relationships Staff needs training on how to effectively share assessment strategies with parents about their children's progress. Provide parents webinar training and phone links to help them better understand the STARR student reports. Videos on state accountability have to be readily available for parents. Teaching staff needs training on the district's discipline protocols so that they can implement them in their classrooms consistently. Integrate the police and security departments into all emergency situations. Campus Walk Through/Observation Report needs to be revisited to include area for SEL practices and integration in the classroom.
