CHARACTER TRAIT OF THE MONTH: CREATIVITY

Creativity is "using your imagination to create something new or solve a problem".

Lakeshore students and staff will be focusing on utilizing their creativity to its fullest potential through the last few weeks of school!

PurposeFull Pursuit (taken from PurposeFull People family newsletter): Get Creative with expressing your emotions through a game of emotion charades! Gather as a family and brainstorm some emotion words. Write them on slips of paper and turn them facedown. Then, take turns choosing a slip of paper and acting out the emotion (assist with reading as needed). Other family members will guess the emotion that is being acted out. After each person's turn, take a moment to talk about what we may need when experiencing these emotions.

Principal News

As we enter the last month of the school year, it is important to recognize the incredible progress and achievements our students have made. While we celebrate these achievements and the excitement of summer draws closer, we need to remember Lakeshore's mission statement, Excellence By All. Please discuss this mission statement with your children. Share ideas on how your child will show excellence during our final weeks together. Continue with strong bedtime and morning routines at home to ensure your Lakeshore Wave is at school every single day!

We have many special activities planned and want all students to have the opportunity to participate in these fun things, but poor behavior will not be tolerated. Please remind your child to follow expectations and to act kindly, respectfully, and safely. To ensure all families know when events are taking place, keep a close eye on communication from your child's teacher. Thank you for your unwavering support and dedication to ending our school year strong.

Jessica Pelka
Lakeshore Elementary Principal

Need Something?

We want to support our students and families to be their best. If you have a need for clothing or food, please don't hesitate to reach out to your child's classroom teacher, or Ms. Maija by phone at (715)852-3421 or by email at mcrothers1@ecasd.us.
