Attachment I—Local Educational Agency Listing

Participating Local Educational Agency Identification

Enter the California Department of Education (CDE) issued county/district/school code (CDS) and the full name for each local educational agency (LEA) participating in the Local Plan. Only charter schools that have applied and been approved by their governing board as LEAs for special education purposes should be listed on Attachment I. The LEA names will automatically populate the remaining attachments. Pursuant to California *Education Code (EC)* sections 56205(a)(12)(D)(iii) and 56195.1(b) and (c). SELPAs with one or more LEAs, or those who join with the county office of education (COE) to submit a Local Plan to the CDE for consideration of approval must include copies of joint powers agreements or contractual agreements, as appropriate.

In the table below, enter the CDE issued CDS code and the official name as listed in the California School Directory <https://www.cde.ca.gov/SchoolDirectory/> for each COE, District, Joint Powers Authority (JPA), and SELPA participating in the Local Plan and receiving a special education funding allocation for services and programs provided to students with disabilities.

To Add or Delete Rows:

To add or delete table rows, select the "plus" or "minus" buttons bellow. Actions taken here will be automatically repeated for each of the tables in Attachments II through VI. Users must manually enter LEA information in Attachment VII.

LEA Membership Changes:

If an LEA was previously reported to the CDE in fiscal year 2021–22 or 2022–23 and there is a change in SELPA membership, **DO NOT DELETE** the entry. Instead, under the "LEA Status" column, select the drop-down menu and choose the applicable status option for the LEA membership change.

SELPA County/District/School Codes

- If a SELPA does not have a CDS code, then the associated fields should be left blank. NOTE: If a CDS code section begins with a "0," the zero will not appear in the user's entry.
- If a SELPA does not have a complete CDS code, then leave the associated district and school code blank.
- If a SELPA is not a charter LEA, then leave the associated charter code blank.

SELPA: 5001 -- Stanislaus County SELPA

Fiscal Year: 2025-26

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
