## Chloe Clark Hosts Military Breakfast

April is the Month of the Military Child. Here in the Steilacoom Historical School District No. 1, that means a lot to us!

On April 16th, Chloe Clark opened their doors for a breakfast celebrating the service men and women who make up our community.

We had about 300 people come and enjoy breakfast all together.

Families enjoyed fresh muffins, breakfast sandwiches and pancakes along with fruit and coffee.

We're proud of our military families and are grateful for their service and sacrifice.
