For the Graduates

Regalia:

- All graduation regalia including cords, stoles, sashes, and leis shall not drape over the shoulders or extend past the knee. It shall be free of words, pictures, insignias, symbols, or emblems which are crude, vulgar, sexual, profane; suggest any act which is immoral, illegal, or hazardous to one's health; or advocates racial, ethnic, or religious prejudice and hate. Graduates must have these items prior to entering the arena floor and may not receive any items from the audience, during the ceremony.

Decoration of Caps:

- When decorating their graduation caps, students may include embellishments, flowers, ribbons, patches, airbrushing, etcetera. Please be mindful that they do not block the view of those sitting behind you and are secure enough to not come apart when wearing. Students must adhere to the school dress code guidelines. Caps must be tasteful, respectful, and free from profanity, hate speech, gangs, violence or references to illegal substances. Appropriate designs include those that celebrate the occasion, recognize their achievements, express gratitude, display their cultural heritage, or are a nod to their college/career plans. Any questions should be referred to the school's administration as they will exercise final judgment if the cap adheres to these guidelines.

Dress Code:

- Consult site dress code for Commencement ceremonies.
