To the Families of our Students,

Starting May 6th, our school will be administering the Measurable Results Assessment (MRA), a survey and reporting system designed to provide insights into the progress of our school. In order to provide a holistic picture of what is going on in our school, the MRA includes three different surveys: 1) one completed by all school staff, 2) one completed by students, and 3) one completed by the families of students in all grades.

We hope you will participate so we can use the feedback to make our school an even better place for students and families. If you have any questions about the surveys or wish to see a list of questions, please contact the school's front office.
