RFP 2025-13

Title: Emergency Management Support System for Schools

Issue Date: Monday, May 05, 2025

Submission Deadline: Tuesday, June 03, 2025

Time: 10:00 a.m. (Central Standard Time)

For assistance call 601-973-8582 or email RFP@jackson.k12.ms.us for assistance. Questions regarding proposal specifications are to be addressed to the Project Administrator listed in the proposal.

The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal Requests for Proposals (RFP) from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor or services as outlined in the following specifications. Sealed RFP shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFP Opening Schedule (front page of the formal RFP document), at which time all RFP shall be publicly opened and read aloud. Neither dating of the RFP form nor placing the RFP in the mail by this date shall meet legal requirements; the formal RFP document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject any and all RFPs received and to waive any and all informalities. Vendors are encouraged to very carefully read all sections of this RFP document prior to submitting an RFP proposal. Any agreement generated due to an award may be terminated by the District without cause upon one week's prior notice to vendor.

The vendor must provide a current copy of their company's Certificate of Insurance with Workers Compensation and General Liability Coverage. Jackson Public School District requires coverage for not less $1,000,000.00 dollars. JPSD must be listed as an insurer under the coverage provided. It is imperative that this insurance is maintained throughout the duration of the contract. This coverage must be submitted and kept on file with JPSD.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal RFP proposals submitted and base all decisions on the "lowest and best" RFP concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this RFP has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit RFPs via this RFP document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD an offer for the sale of all products and/or services specified herein. It is the purpose of this RFP document to clearly define "open" and "competitive" product or service rfp specifications. All items on this RFP are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge the receipt of all addendums which were issued during the course of this RFP. If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the RFP (e.g., pricing), in which case the Add RFP Addendum shall not only be acknowledged below but shall be completed and attached to the RFP at the time the RFP proposal is submitted. Receipt of the following Addendum issued during the course of this formal RFP is hereby acknowledged:

It is acknowledged that this rfp proposal consists of the following sections: **PROPOSAL FORM**, **INSTRUCTIONS AND CONDITIONS**, **SPECIFICATIONS** and any **ADDENDUM** (if applicable). The Addendum chart is located on page 16.

Net Prices

In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent, i.e., round the pricing to two places to the right of the decimal point only.** JPSD will only accept pricing, which

is stated in this manner. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the RFP analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Payment and Invoicing
Unless otherwise indicated in the detailed specifications of this RFP document, JPSD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoice for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSD for that time period, following inspection if applicable. Any freight/shipping cost that may be incurred for tangible items, such as books, pamphlets, handouts, materials needed for presentations, etc. must be included in the total price proposal price submitted if and applicable.

Performance Penalty
The Vendor is subject to a 10% penalty on this agreement for the **2025-2026** school year if the academic objectives of this agreement are not satisfied. The District will withhold 10% of the total contract for final payment to be made after the academic objectives are satisfied.

Default and Delays
Upon failure of the Vendor to deliver all of the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSD whether the said cost is the same as originally accepted or any excess cost.

Damage to School Property
Any damage or loss to JPSD property as a result of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced with the satisfaction of designated JPSD personnel, at the Vendor's cost, within a reasonable time.

Guarantee
Each Vendor, by presenting a rfp under these specifications, binds himself to make it positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period of time from the date of purchase order or contract that such goods or services are not up to standard, JPSD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided as a result of this RFP for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide coverage as indicated in the specifications.

Acceptance and Award of RFP Proposals
The Vendor's RFP proposal, once submitted and accepted as a valid RFP by JPSD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSD as per the terms of the RFP specifications, all products and/or services contained therein. RFP proposals are subject to acceptance by JPSD at any time within forty-five (45) calendar days following the RFP opening date. Consequently, all price quotations shall be effective for a minimum of

forty-five (45) calendar days and a maximum period as indicated in the specifications. All RFPs must be valid for the effective dates stated in the specification, if applicable.

The award of contract shall be made to the Vendor responsible whose RFP, conforming to the specifications, is deemed to be the most advantageous to JPSD, price and all other factors considered. The Vendor acknowledges the right of JPSD to reject the RFP, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the rfp is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSD (i.e., a duly issued purchase order or signed contract). All RFPs shall be approved by the Board of Trustees prior to the final award.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the RFP proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded as a result of this RFP. However, if in the opinion of JPSD, a contract document is required to authorize the award of the RFP, Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSD sign Vendor contract documents, a sample of all such documents shall be included with the RFP proposal and shall become a part of the Vendor's RFP proposal.

All awards are based on the availability of funding. In the event of a reduction of funds, this award can be rescinded at any time.

Hard Copy Instructions for Submission

- Responses, once completed, should be placed in an opaque, sealed envelope.

- On the outside of the envelope, list the Company's name/address, RFP number, title, opening date and addressee information as they appear in the RFP proposal so that the response may be accurately delivered and registered upon receipt. A designated official who is a legal representative of the Company must list the required signatures that were noted prior to submitting sealed proposal.

- Failure to comply with the above submittal instructions will cause proposals not to be registered or cataloged to the appropriate file or received timely. The original documents must be displayed in front of all copies submitted by interested parties.

- Please submit Original RFP Documents in the Format Outlined along with Two (2) Copies and any Documentation submitted with the Proposal when Mailed or Hand Delivered.

Please submit the proposal when mailed or hand delivered to

Jackson Public School District
Business Office
Attn: Michele Mays/Tequia Odom
662 S. President Street
Jackson, MS 39201

- Any proposal not received by the stated deadline/time will not be considered and/or opened. The proposal will be returned to the Vendor at the Vendor's expense.

- The District accepts no liability for late submissions due to the actions of the United States Postal Service, Federal Express, United Parcel Service, or any other delivery methods.

Page (24): Cover page is to be placed on the front of the vendors submitted proposal. In the event this page is not displayed when the opening of proposal occurs; it will not be acknowledged or allowed to be presented or evaluated. Place this page on the very front of the submitted documents. This is required on all submitted proposals whether mailed, hand delivery or electronically Uploaded. The submitted proposal must be signed by an authorized official to bind the offeror to the proposed provisions.

All the other required forms to include in the proposal are listed starting at Page (15).

Proposals received after the due date and time will NOT be considered. Incomplete proposals will not be accepted in the evaluation process and will not be returned for revisions. No faxed or emailed copies will be accepted. The Proposal Cover Page is located on page (24) of this document.

Emergency Management Support System for Schools

Jackson Public School District (JPSD) is a forward-thinking school district located in the capital city of Mississippi. The district is committed to innovative academic programming, offering a wide range of opportunities including performance and visual arts, the International Baccalaureate Program, and various other specialized academic initiatives.

This project directly supports **Commitment 4: Organizational Effectiveness** outlined in the district's strategic plan. It also reflects our ongoing commitment to ensuring that all scholars and staff feel safe and supported while on our campuses.

Scope of Work

The district is seeking an Emergency Management Support System that can be utilized by school faculty and staff. Additionally, provide necessary components, installation and configuration of existing solutions at specific sites to complete comprehensive communication/ notification system.

Requirements

Emergency Response Platform Requirements

To ensure the safety of our students, parents, faculty, and staff during a crisis event on any school facility, we are seeking a comprehensive Emergency Response Platform that meets the following criteria:

---

1. General System Requirements

- The platform must be efficient, user-friendly, dependable, and effective.
- Must include professionally developed solutions, infrastructure, and technical support.
- The system must be fully functional upon project completion, including all hardware, cabling, programming, and software components.

2. Cost Schedule

- **Provide a detailed schedule of all costs, including:**
    - Scheduled maintenance and system upgrades
    - Optional warranty coverage
    - Service and support costs

- Device replacement costs
- All labor, equipment, and materials required for system installation and activation at each school/facility

3. Emergency Alert Devices

- Provide wearable, remote alert notification devices for all faculty and staff.
- Devices must:
  - Operate without cellular or Wi-Fi connectivity
  - Activate all levels of emergency alerts per district Standard Response Protocol
  - Be multi-functional, allowing:
    - Requests for medical emergencies
    - Requests for non-emergency assistance
    - Activation of lockdown protocols
  - Automatically display device location on designated administrator and district staff computer screens, mobile devices, and/or mobile applications
  - Function reliably at every site

4. System Notification Capabilities

- Detail how the system will notify medical personnel and/or law enforcement during an emergency.
- Include specifications for:
  - Geographic configuration of incident/emergency management strobes for full visibility across buildings, areas, and exterior spaces
  - Accurate location tracking and display
  - Redundancy and backup functionality, independent of existing power or network infrastructure

5. System Specifications

Hardware:

- Provide specifications on:
  - All hardware components

- Type of network and dependency on existing infrastructure
- Battery life of wearable alert devices
- Power requirements and hardware placement

Software:

- Provide specifications on:
  - System management and updates
  - User account management
  - Reporting capabilities and dashboard features
  - Ongoing maintenance procedures

6. Integration and Compatibility

- Ensure automated emergency announcements integrate with existing analog intercom systems.
- Enable broadcasting of emergency management information on school system computers and devices via existing network protocols.

7. Training and Support

- Comprehensive documentation and support must include:
  - On-site training
  - Scheduled webinars
  - Video and online tutorials
  - Unlimited vendor-provided support

District Data

	Number of Schools
Elementary Schools	**23**
Middle Schools	**7**
High Schools	**6**
Special Program Schools	**9**
Total	**45**

Implementation Timeline

The proposed vendor must provide a detailed implementation plan, i.e. including a detailed timeline and work that will take place during that time. The plan must include a professional development plan the focuses on the training of the product. This project must be completed by August 30, 2025.

References

The vendor must provide a minimum of three references of a client that currently uses this product. Incorporating letters of support in the proposal will suffice as well.

K-12 Student Data Protection

1. Introduction

The Jackson Public School District is seeking SaaS providers who can deliver secure, scalable, and FERPA-compliant solutions while adhering to NIST cybersecurity standards. The selected vendor must demonstrate a commitment to data security, privacy, and compliance with federal, state, and local regulations. Each vendor must complete this table and submit supporting documentation where applicable to demonstrate compliance with security requirements. Failure to meet these security standards and/or provide supporting documentation may result in disqualification.

2. Single Sign-On (SSO) Requirements

The district requires **Single Sign-On (SSO)** integration for authentication. Vendors must support **Google SSO for students** and either **Microsoft 365 or Google SSO for employees**. Vendors must provide documentation confirming which authentication method(s) they support. Failure to comply with these authentication requirements may result in disqualification.

3. Rostering & Data Synchronization Requirements

The district requires vendors to provide details on their options for **rostering teacher and student data** within their application. The district currently uses **Clever and PowerSchool** for rostering.

- Vendors must indicate whether they support rostering through **Clever** or **PowerSchool**.
- If the vendor supports **PowerSchool integration**, they must specify the exact PowerSchool tool used for data synchronization.
- Vendors using PowerSchool must also provide **file format specifications** and **detailed directions** given to schools for rostering through PowerSchool.

4. NIST Security Compliance Requirements

To ensure adherence to NIST 800 security standards, each vendor must complete the following compliance table by indicating whether they meet each requirement and providing supporting documentation where applicable. Supporting documentation must be clearly labeled.

Vendors must provide explanations for all no responses and documentation to support all yes responses.

All NIST requirements are not included in this list. The District reserves the right to request additional security information and documentation from all respondents-based answers provided with the proposal submission.

Vendors must submit documentation outlining their rostering process, supported integration tools, and any additional requirements for synchronization with the district's student information system.

5. Artificial Intelligence (AI) Usage Disclosure

Vendors must disclose any use of Artificial Intelligence (AI) or machine learning within their SaaS product. The following details must be provided:

- A description of how AI is utilized within the application.
- A list of the types of data collected and processed by AI models.
- Whether AI is used to make automated decisions that impact students, teachers, or administrators.
- Measures taken to ensure data privacy and compliance with FERPA and other applicable regulations.
- Assurance that AI models do not retain personally identifiable information (PII) beyond required processing needs.
- Documentation of any AI-driven analytics or profiling conducted on user data.

Failure to fully disclose AI usage and its implications may result in disqualification from consideration.

6. Service Agreement

When submitting your proposal, please include a copy of your company's service agreement, along with any other supporting documents.

End of Proposal

Board of Trustees

Jackson Public School District

Jackson, Mississippi

Ladies and Gentlemen: I/We propose to furnish and deliver all items and/or to perform all services according to all sections of this rfp document (Proposal Form, Instructions and Conditions, detailed written Specifications, and Addendum if applicable) and in the quantities at the indicated prices, as called for in the document(s). All quantities indicated have been checked very closely, and both unit price and total price (where requested) have been submitted with the understanding that we shall be responsible for making complete and satisfactory delivery accordingly, within the time frame agenda (if applicable).All items contained in this RFP shall be as specified or JPSD approved equal. For any item(s) proposed which is other than as specified, a complete and detailed cut and description for each item(s) must accompany the rfp, if the item(s) is to be considered. Please carefully read each section of this RFP.

Acceptance of Proposals:

The Jackson Public School District reserves the right to:

- Have sole discretion to waive minor irregularities in proposals. A minor irregularity is a variation from the proposal that does not affect the proposal or gives one offeror an advantage or benefit not enjoyed by other offerors or adversely impacts the interests of the school district.
- Accept the "lowest and best" RFP which in their judgment assures JPSD the product(s) or service(s) having the best performance and the highest level of function, quality, and value.
- Not accept the lowest priced proposal. Proposals that do not comply with the requirements stated within this RFP subject to disqualification. Proposals that do not meet the deadline date/time will be returned to the vendor unopened.
- Request additional information or conduct discussions with one or more respondents after the RFP deadline; to secure a final selection to award RFP should such action be in the best interest of JPSD.

I/WE UNDERSTAND AND AGREE THAT NEITHER THE AWARD OF THIS RFP TO ME/US BY THE DISTRICT'S BOARD OF TRUSTEES NOR RECEIPT BY ME/US OF A NOTICE OF ACCEPTANCE OF THIS RFP SHALL CONSTITUTE THE MAKING OF A CONTRACT BETWEEN JPSD AND ME/US, WHICH SHALL BE CONDITIONED UPON THE EXECUTION BY BOTH JPSD AND ME/US OF A FORMAL, WRITTEN AGREEMENT.
