I. QUESTIONS & ANSWERS

The following questions are as they were presented to Park Hill School District. The answers to said questions have been answered as completely and accurately as possible.

Q1: A few questions on the G7 x360s and Cell Phone lots, are there any know non-functioning or crack screeks on any of these unit?

A1: All units are in working condition with no known cracked screens or major damage. You're welcome to schedule a visit to inspect them before bidding.

Q2: Will all the G7 x360s and cell phones be released from management system and unlocked?

A2: Yes, the G7s will have a BIOS password, which will be provided once the lot is awarded, and pickup is scheduled. The cell phones have been released from our management system and are unlocked.

Q3: Are there any permanent engraving on these devices?

A3: No

Q4: For the cell phones, are they linked to a specific carrier? Also, has the "Find me function on the iPhone been unlinked from each device?

A4: The devices were originally with T-Mobile but are now unlocked for use with any carrier. They've also been removed from our MDM and unlinked from "Find My iPhone."

Q5: Will units be boxed and palletized or would we need to come on site?

A5: Everything but the laptop carts are boxed and palletized

Q6: Is there an option for vendor to send packaging materials on site and would Park Hill be able to package or should vendor assume that we need to come on site for packaging and palletizing?

A6: Correct—the items are currently packed in gaylords and on pallets, ready to ship. If different packing is required, the winner must provide the materials and labor.

Q7: Reading the language in the bid, I understand that the winner will be responsible for materials and transportation related to removing the equipment, I just want to confirm that you will not be boxing/palletizing the equipment.

A7: Correct—the items are currently packed in gaylords and on pallets, ready to ship. If different packing is required, the winner must provide the materials and labor.

Q8: May I request pictures of how the equipment is currently staged, so that I can better understand the scope of work required in removal?

A8: Yes—everything except the laptop carts is boxed in gaylords and palletized.

Q9: Is there a full size loading dock at the pick up location?

A9: Yes

Q10: I see that asset tags are used and required to be removed, but does the school require that we record them in addition to the serial numbers in our report?

A10: Asset tags must be removed but recording them is not required.

Q11: Please send a sample serial number for the laptops.

A11: 5CG0299SJ6

Q12: Is there a loading dock available to accommodate a 53' truck?

A19: Normal business hours are Monday-Friday 8am-2pm CST for inspections.

Q20: Will the equipment be palletized for shipping or is that the responsibility of the buyer?

A20: The items are currently packed in gaylords and on pallets, ready to ship. If different packing is required, the winner must provide the materials and labor.

Q21: Can you please give more details in the laptops condition:

Will these have bios lock?

Do the laptops have any etching on them?

Were these kept in protective cases while in use?

Cracked cases?

Broken Screens?

Missing Keys?

Ect.

A21: They do have BIOS passwords on them but we will provide the passwords when the bid is awarded and pick-up has been scheduled. They were not etched and they were not in cases while in use. Overall, the equipment is in good condition. You're encouraged to schedule a visit to inspect it before bidding.

Q22: Can you provide me with storage on the phones below.

Is each model all configured the same?

Can you provide me with the Model number of the iPhone? Example: A2482

Are these phones locked to carriers or unlocked?

Will these be released and unlocked (password and/or iCloud)

Any broken screens or dents?

Were these kept in protective cases while in use?

159	Cell Phone	Apple	iPhone 12
12	Cell Phone	Apple	iPhone 13
71	Cell Phone	Samsung	Samsung S22
