PARENT PARTNERSHIP

Education your way!

Yakima Parent Partnership is a customizable education program for homeschooling families who could use some extra support. What kind of support and how much is completely up to each family!

Types of support can include:

- Technology assistance
- Athletics opportunities
- Socialization with other students
- Curriculum & resource materials
- Teacher partnership
- Activities and field trips
- Access to diverse courses

...and more!

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.”

-Bob Beauprez
