

Dear Parents,

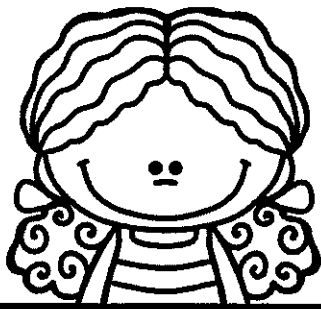

This Summer Packet was created for you and your child to work on throughout the summer. This packet will allow your child to practice skills to help them be successful in kindergarten.

The activity calendars provide your child with an activity to complete each day. Please be sure to bring their completed homework packets to their kindergarten teacher at the beginning of the school year.

Be sure to go to the library throughout the summer so that you are able to read to your child as often as possible.

There are also a variety of learning websites and apps your child can play on to help keep them ready for the upcoming school year. Thank you for working with your child this summer and have a safe and fun vacation! We look forward to seeing you in August!
