

THE HARBOR NEWS

May 2025 Edition

Principal's Message

May's Seaford Scholars trait celebrates innovation and the fresh energy that spring brings! As the season blooms around us, it's the perfect time to recognize and encourage our students as they explore new ideas, take creative risks, and think outside the box. Supporting students in becoming innovative thinkers helps them build confidence, resilience, and a love of learning. Whether they're solving problems in unique ways, experimenting with new approaches, or collaborating on big ideas, let's cheer on their curiosity and creativity.

Thanks for helping us shape a school full of inspired, forward-thinking learners!
Go Vikings!

Note for Nurse's Office

As the weather warms up, please remember to bring a water bottle to school each day to stay cool and hydrated. Let's take care of ourselves while we enjoy the spring sunshine!

Harbor Day

Our annual Harbor Day will be held on Wednesday, May 21! This will be a day of fun and memories for our students, staff and families. Please be on the lookout for reminders pertaining to the day, as well as Parent Game information time slots. We are looking forward to this great event!
