

STUDENT AUTOMOBILE USE

Parking at the school is a privilege granted by the school and the privilege will be withdrawn if it is abused.

Prior to driving or parking on school grounds, students will be required to register motor vehicles in the main office and will be required to have a school sticker on the motor vehicle, as covered in policy **ECE**.

Improper use of a motor vehicle on school grounds can result in suspension from school (in school or away from school) for a period not to exceed five (5) days. Driving a motor vehicle from school grounds during the school day without written authorization will be considered improper use of a motor vehicle and will be considered grounds for suspension.

If a student leaves the school grounds in a motor vehicle without authorization, parents/guardians will be notified and the student will be subject to disciplinary action, including suspension from school.
