

PUBLIC SOLICITATIONS IN SCHOOLS

As a general policy, there will be no solicitation within the school for any purpose. No commercial enterprise may be represented in the schools and there will be no sale of goods or services on the premises.

A mobile vendor must not carry on any business on any school grounds without written authorization of the Superintendent or designee.

Any request for the exception to this rule must be submitted in writing to the School Board or its agents (Superintendent and/or Principal) at least 30 days prior to the implementation of the requested activity.

The School Board reserves the right to grant exceptions.
