Dear OWL Families,

Happy May! It's hard to believe that we're in the final month of the school year! And what a busy month it is! Grades 3-8 jumped right into state testing for ELA. This week students move on to the math portion of testing. Our staff is promoting positive mindset and effort with our OWLS. Both Mr. Brown & Mr. Kellar are also giving extra incentives for grades that increase their overall percentage in scoring a 3 or 4 this year. Mr. Brown will dye his hair & beard and let students chose the color. And Mr. Kellar will shave his beard if both 7th & 8th grades increase their overall percentage as well. I'm confident that our students will work hard to meet this challenge...GO OWLS!

We held our first Staff Underground Spirit Week. Only JMC staff members knew the dress day...and we left it to our students to try and figure it out. Students who did so and reported to their teacher earned an extra recess with a friend. Our staff had a blast participating and we thank Mrs. McCoy for bringing the idea to us!

We have plenty more things upcoming, including **Teacher & Staff Appreciation Week, grade level field trips & celebrations, Music Performance for band & choir, Force Museum, Career Day, Field Day and 8th Grade Promotion!**

This month is packed with excitement and all the happenings to culminate another OWLmazing school year at JMC! We look forward to sharing these very special moments together with you and our OWLS.
