						AGENDA ITEMS	ACTION
						E-2. Committee/Activity Updates ➤ None F. D51 HAPPENINGS AND CELEBRATIONS Ms. Ciera Colson, Marketing and Communications Specialist, came forward to highlight the following: ➤ Golden Apple Award winner Sarah Franklin at Rocky Mountain Elementary, who works with ILT & MTSS, and who also mentors new teachers. ➤ February 3-7 was National School Counselor Appreciation week. ➤ February is CTE Month which recognizes the CTE impact on students' lives. ➤ February 5, National Signing Day for collegiate athletics was celebrated with students signing letters of intent to play sports at colleges. ➤ School Resource Officer Day ➤ Red Rock Auto Group in Grand Junction gave recipients of White Iced awards (consisting of 6 D51 staff) Nissan Leaf automobile 2-year leases. ➤ February 14 was FBLA & FCCLA celebration day. G. SUPERINTENDENT REPORT G-1. Legislative Update ➤ Amy Attwood, Contract Lobbyist, attended virtually and spoke about state legislation. ➤ The legislature has been in session since January 8 and all about the budget. She explained the State budget as being in a very bad place. \$1b down coming into the year. All departments including K-12 are looking at cuts, maybe a \$150m cut for K-12. Grant programs will probably be the majority to be targeted. READ Acts look like they will be protected. ➤ Ms. Attwood is working with Melanie Trujillo, CFO, regarding averaging and going with current year enrollment numbers, which will be a very hard hit for D51. ➤ The new finance school formula was discussed, and if it will be changed or not. The new formula is more expensive. ➤ The federal government could be making cuts also in K-12 and Medicaid. ➤ Healthy Meals for All could also be cut to some extent. ➤ The Joint Budget Committee sent a letter to all state agencies and legislators asking them not to spend money that is not absolutely necessary. Also, not to fill positions not already filled. ➤ A number of states are looking at this situation as well as Colorado. ➤ Dr. Hill discussed 14 different scenarios he had spoken to Melanie Trujillo about. HB1448 may not go forward at this point. Due to declining enrollment, SD51 will really be hit hard. If the public wants to get involved, they need to encourage the state to keep HB1448 as promised. The Hold Harmless needs to stay and not go away. Representative Taggart is highly engaged and is working with Amy Attwood to see how the district is affected. ➤ Bills were discussed and there were not many for education as there is not any money. Burdens being shifted to districts hopefully will not be passing, and the legislature doesn't seem to want to do this. ➤ There is a Bill Tracker with new bills being tracked regularly. ➤ Attention needs to be paid to the budget at the state level. Numbers will not be known until at least April 15 when the state budget passes. It could be as late as May 8 th .

						<p>H. AUDIENCE COMMENTS</p> <ul style="list-style-type: none"> ➤ Ms. Coleen Moore - 81507– senior student at FMHS – Discussed having tolerance and observing hate speech. Students seem unaware deportations are affecting students in schools. She does not like the statement about not choosing political sides and some are not coming to school due to fear of ICE. Concerned we (D51)) are not speaking out against the hateful rhetoric. Some students are not listening to education that does not meet their intolerant views. The physical and emotional stability of students should be the main concern. ➤ Ms. Serena Alfstad – 81507 - FMHS senior concerned for her education and for every student. Says teachers are afraid to teach due to backlash and fear of losing jobs. Teachers hesitate before discussing historical events. Classmates make slurs of hate and we should not let our teachers not teach. Students should be challenged. Elementary students are taught, she believes, to respond with hate. Children should be taught what the pledge of allegiance means. History and current events should be taught without fear. If we fail to educate students, we fail our future. ➤ Sagan Robinson – 81521 -FMHS – Stated all viewpoints of history should be taught. Those who cannot remember their past are bound to repeat it. All victories and flaws should be remembered and taught in history. The abolishment of slavery in the US should be remembered, as well as the slavery that existed before it. History is a whole series of events, not just victories, but also the events. History should not be rewritten, but we should teach all history. ➤ Sarah Braffeli – 81521 - Senior at FMHS – Teachers are afraid to facilitate discussions due to executive orders by the government. History should not be labeled as indoctrination. Important history should not be erased from the classroom. The mission of education needs to fulfill its purpose. Asking school board to support teachers to teach history without fear of retribution. ➤ Ben Himes – 81503 - Senior at GJHS, Discussed core attitudes of kindness and empathy and they should be protected. In first week of new presidency, he stated 7000 people were deported. Children aged 5 and younger are being sent to countries with drugs and cartel. A severe threat to the nation is occurring today. Diversity, equity and inclusion are for a shared goal of understanding the past. He has his changed view of this recently and realize there are those who need help. He will speak for those who are too fearful to use their own (voice). ➤ Jan Moorman – 81501 – From the League of Women voters in Mesa County, a non-partisan group. The League joins with other local organizations to look at D51 policies regarding immigration. Discovered a document reported to be sent to all superintendents in Colorado in January 2025. Spoke of recommendations from ACLU with guidance to staff where students, staff and families feel protected. Looking to see where clarity can be added. One place is in staff guidance that was given by D51. Warrants and subpoenas were mentioned. Please use the adjective “judicial”. There is a difference between judicial and immigrant. ➤ Tom Acker – 81507 – Spoke of sensitive locations and the effect on families in D51. Administrative warrants used by ICE should not be used. There should be privacy and schools are free to refuse, absent of judicial warrant. Signs with

						<p>hours should be posted and ICE on school property is illegal without warrant. The school message is ambiguous and is not protecting students.</p> <ul style="list-style-type: none"> ➤ Dan Worth – 81507 – He is a displaced educator representing all displaced staff. There should be SB191 compliance for interviews for all positions staff are eligible for. The district's plan does not guarantee this. The policy was issued on February 14 limiting positions that can be interviewed for. Displaced staff should be interviewed first. Others may interview first. States district has no policy in place to ensure teachers are treated fairly and complies with the law. ➤ Jolie Hendricks – Counselor at Clifton Elementary – She seconds what Dan Worth says and read a law for the Teacher Compensation Act. The definition of a displaced teacher was read. Hiring cycle was defined. Priority Hiring pool was explained and defined also. Priority hiring pools were discussed. TECTA was discussed. The CEA legal team can answer questions. ➤ Kelly McKay – Read an anonymous letter from 25-year long term displaced teacher. – Does not feel valued and admin is assuring there will be enough positions but it is not appearing that way. Priority does not seem to be actuality. The possibility of not having a classroom until August is not reassuring. Mental health is being affected. Staff moral is being affected. Does not feel admin has been honest with teachers. ➤ Justin Rash – He is a teacher as well as his wife and his wife's school is closing. His wife is not herself and will be competing against her friends and coworkers. He is speaking on behalf of all teachers in D51 who may not have teaching jobs in the future. Maybe for one year they will have jobs but no guarantees after that. Does not understand why more is not being done to help displaced teachers. The message is that you are expendable, regardless of your performance. Proven track records are not guarantees for these teachers. It is an injustice to interview or hire any other candidates at this time. ➤ Bea Sullivan – Sharing concerns and very proud of high school students and their voices. Speaking on behalf of a displaced teacher. Worked with 500 kids and achieved results for D51. Guaranteed replacement as a substitute only. Interviews only at receiving schools and hopeful they are lucky enough to get an interview at another school. Given everything for over 20 years. Should be interviewed before others are interviewed. Is a CEA Board Director and appreciates a legislator coming to visit. Public schools do matter. Daughter is a doctor and the other has her masters degree. ➤ Tracy Seremak – Thanked Board for their time. Wants displaced teachers treated with dignity and respect in a priority hiring pool. To allow 24 hours before others are interviewed is counter productive and disrespectful. ➤ Stanley Magnuson – 81501 - Homeowner in CMU area and trying to get on as a substitute teacher. Unable to get ahold of Human Resources and unable to get information electronically. GJHS is always short of subs but district says they are not in need. He has a 5 year substitute authorization and is certified as a teacher in English. Is a veteran also. No one is helping him and there is a failure to communicate. ➤ Amanda Akers – 81523 - Concerned citizen speaking about access by ICE into schools. She was a bilingual teacher in the past and now works in clinical mental health. If parents are afraid to send kids to school, they are not being educated. If kids have a hard time learning, it's because of something that is happening at

						<p>home. Having worked in policy, understands the concern of budgets and kids not coming to schools. Please communicate to parents and families better.</p> <p>➤ Bert Nislanik – 81507 - Retired criminal defense lawyer and did alternate defense council. Did policy in that job and when a policy is made, it's easier to see the effect of the policy more than if you didn't make the policy. Have had to advise parents to take children's documentation and reduce it and put it in the pocket of students who attend D51. If separated from their parents, will need green cards, status cards, etc on their person until we have a policy to protect them.</p> <p>➤ Imelda Mulholland - 81506 – Sensitive locations policy Code of Ethics for Board members should be the first protection of students. It is a duty to your district you serve. All students should be protected, not just some.</p> <p>➤ Shelly Medrano – 81501 - Teacher at school in the district. Thanked students for speaking up for those who are afraid to. Scary how 2nd graders ask why Americans don't like Mexicans anymore. How am I supposed to answer that? Displaced due to school closure now. Veteran teacher but probationary here in D51. Chose to relocate to GJ once she became a single parent. Didn't know what portability of tenure was. As of 25/26, this should be included in the new hire packet. Found "portability" only when searched for it in board policies.</p> <p>➤ Lacy Lowery – 81520 - Concerned parent about communication and policy issues with 32 kids' notice of being kicked out of GJHS after 1 ½ days' notice after the first semester from having low grades. PHS had been told that all parents had been informed. Daughter was suspended last week with no contact from school, only info from her daughter. It is a policy for parent to be contacted. Should be in person meeting with the parent. No communication. Spent 1 ½ years emailing and showing up to classes to speak with teachers. Where was her support? Teachers want parents to care and where do kids go when falling through cracks?</p>

Board of Education Resolution: 24/25: 61

Presented: February 18, 2025

Would the students and directors involved in this year's Middle School All-State Choir please join me at the front?

The Middle School All-State Choir showcases the most talented young vocalists in Colorado, setting the stage for future success in high school choir and beyond. Open only to seventh and eighth graders, the audition process is rigorous—students must not only demonstrate exceptional vocal ability but also receive a director's recommendation affirming their talent and maturity to perform at a high-level caliber.

This year, seven outstanding District 51 students earned a spot in the All-State Choir Festival, held earlier this month.

The Board of Education and Superintendent Dr. Hill congratulate this year's Middle School All-State Choir participants on their dedication and achievement in the vocal arts. A thank you also goes to their directors for their continued support and leadership in guiding these talented students.

Will the Grand Junction High School Academic A Team and Coach Coady Shawcroft please join me at the front of the room?

Under the dedicated leadership of Coach Shawcroft, the Grand Junction High School Academic Teams continue to excel, most recently securing 2nd place at the State Quiz Bowl.

The Quiz Bowl State Championship brings together top teams from across Colorado, competing for two spots at the National Tournament in Atlanta, Georgia. Teams must win a series of high-stakes head-to-head rounds to advance. In a hard-fought championship match, Grand Junction High School came up just short against Broomfield in a close finish, earning second place and a spot at Nationals. GJHS was led by senior Stewart Collins, the tournament's top scorer, along with captain Erik Terlouw, junior Neil Scott, and junior Cooper Teske.

A huge shoutout to Coach Shawcroft for leading and supporting the team through an intense competition season.

The Board of Education and Superintendent Hill would like to recognize the members of our GJHS Academic Team and congratulate them on their second-place Quiz Bowl State Championship finish. We look forward to seeing your success on the National stage and wish you the best of luck!

Coach: Coady Shawcroft

Academic Team Members:

A Team: Erik TerLouw, Cooper Teske, Neil Scott, and Stewart Collins

Board of Education Resolution: 24/25: 63

Would the students and their directors, named to the 2024-25 All-State Band and Jazz Band, please join me at the front of the room?

Each year, dedicated students in our school music programs devote countless hours to perfecting their craft and sharing their passion for music. Among these talented musicians, outstanding students are nominated by their band directors to audition for the prestigious All-State Band and Jazz Band.

The All-State Band and Jazz Band Festivals showcase Colorado's most talented high school musicians. This year, three outstanding D51 students earned a spot in the All-State Band, while two exceptional students secured a place in the All-State Jazz Band. This achievement highlights the incredible talent and dedication required to perform at this level.

The Board of Education and Superintendent Dr. Hill would like to recognize the following students and directors for their outstanding work and congratulate them on this accomplishment.

All State Band 2024-2025

- Nicholas Pinnt, Central High School
- Evan Edwards, Palisade High School
- Gavin Parker, Palisade High School

All State Jazz Band 2024-2025

- Daniel Quinn Larkin, Grand Junction High School
- Connor Kagerer, Palisade High School

Directors

Would Ashlyn Warinner from Independence Academy please join me at the front of the room?

Each year, students across the valley participate in the Martin Luther King Jr. Poster Contest, hosted by Black Citizens and Friends, using their creativity to reflect Dr. King's powerful message. This year, we're excited to celebrate Ashlyn Warinner from Independence Academy, who won first place at the middle school level and was named the grand prize winner!

The contest drew an impressive number of submissions, highlighting the incredible artistic talent within our community. Entries were judged across three levels—elementary, middle, and high school—with first, second, and third-place awards in each division. As the overall winner, Ashlyn's artwork will be featured on the official 2026 Black Citizens & Friends T-shirts and posters in recognition of MLK Day.

The Board of Education and Superintendent Dr. Hill would like to congratulate Ashlyn on this well-deserved honor, recognizing her artistic talent and meaningful contribution to this important tradition. We look forward to seeing her design inspire the community on next year's MLK Day T-shirts and posters!

Would Linda Flohr please join me at the front of the room?

Ms. Flohr, Assistant Principal at West Middle School, was recently named as a recipient of the prestigious Presidential Award for Excellence in Mathematics and Science Teaching (PAEMST)—the highest national honor for STEM educators in the United States.

This award recognizes outstanding educators who demonstrate exceptional skill in teaching math and science while fostering a culture of curiosity and innovation in STEM education. Ms. Flohr's dedication to student success and her commitment to hands-on, innovative teaching make her truly deserving of this recognition.

As a PAEMST awardee, Linda will receive a certificate signed by the President, a \$10,000 award, and the opportunity to attend a ceremony in Washington, D.C.

The Board of Education and Superintendent Dr. Hill are proud to recognize Ms. Flohr for this well-earned honor. Her dedication to fostering a love of learning and science through hands-on, innovative teaching reflects her passion for STEM education. Thank you, Ms. Flohr, for your contributions to STEM education and for inspiring the next generation of learners.
