**Contract Information:**

Project: The City of Medford is issuing a Request for Qualifications (RFQ) inviting qualified and experienced trade contracting firms to submit their credentials to be considered for Pre-Qualification on the Medford Schools HVAC Upgrades project for the Andrews and McGlynn Schools. The project consists of replacing the main HVAC system components with more energy efficient systems which include but not is limited to condensing boilers, air handling units, compressors, heat pumps, controls and related electrical components.

Plans/Specifications Available: RFQ Documents will be available Wednesday, May 7, 2025, online at: <https://www.bidnetdirect.com/massachusetts/cityofmedford>. All plan holders must have an active online account on [www.bidnetdirect.com](http://www.bidnetdirect.com) to acquire documents, receive project notifications, and to submit your proposals electronically on or before May 22, 2025, 12:00 PM.

Trade Bids:

- Resilient Flooring – (Estimate trade cost of \$65,000.00)
- Miscellaneous Metal & Ornamental Iron – (Estimate trade cost of \$110,000.00)

Additional Information: This solicitation is to pre-qualify trade contractors to work directly for the Construction Manager at Risk firm, Consigli Construction Co., Inc.

**This is the second solicitation to pre-qualify these specific trades on this project. If your firm has previously submitted qualifications for this project, there is no need to resubmit your firm's qualifications again.**
