

# Take Flight at Meadowlark Ridge

## A Note from the Principal

Meadowlark Ridge Families, it's hard to believe it's the end of the school year. It has flown by! My third year at MLR has been a great one! I've learned and grown so much as a principal. The staff, students, and families are what makes MLR such a great place to be! I hope you have a safe, fun, and relaxing summer. See you in August.

- Heather Galvan, Principal

# Need Health Coverage?

## Our Social Workers Can Help!

Did you know our school social workers can now assist families with **Presumptive Eligibility**(PE) enrollment?

PE provides **temporary Medicaid coverage** for children and pregnant individuals who appear to be eligible, giving access to important health services while the full application is being processed.

If your family is in need of health coverage or you're unsure where to start, our social workers are here to help guide you through the process. It's quick, confidential, and can make a big difference in ensuring your child stays healthy and supported.

To learn more or to schedule an appointment, please contact your school's social worker directly.

We're here for you!
