We must support our English language learners as well as our students with IEP services with targeted intervention provided by highly qualified staff to reach our goal of each student being proficient on grade level assessments.
Identify the budget actions that should be taken to address and remove those barriers.	FTE request for 2nd and 5th grade teacher positions. Additional SPED and ESOL para allocations. An additional counselor to support students in our newcomer program.
Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budget actions would be implemented.	Our goal would be to reach our grade level proficiency goal in the next 5 years.
