SECTION 9: Other Data	Response
a. Based on your building leadership team analysis, what are the barriers your school faced with non-assessment related issues?	Attendance/Truancy; Parent & Community Involvement;
Can they be achieved with additional resources?	No
Why or why not?	These barriers can be addressed through professional development focused on these areas. The BLT will help create a systematic approach to addressing attendance concerns.
b. Additional building unique identified Items:	None
Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.	The system in place for our Newcomer students is a barrier. They are transitioned into gen-ed classrooms quickly and teachers have not had adequate professional development to instruct them. Mental health concerns for parents and students. Attendance issues.
Identify the budget actions that should be taken to address and remove those barriers.	These barriers can be addressed without additional funds.
Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budget actions would be implemented.	This is not dependant on budget.
