To Print From a ChromeBook

Important: Make sure your ChromeBook is connected to the network **(ZCSWifi)**

1. Install the [Mobility Print Chrome app](#).
2. Open the page to print.
3. If printing is available, right-click; then select **Print**.
4. Click **Change** to choose a printer.
5. Select the printer **(Follow-Me-Students)**
   Make sure you select a Mobility Print printer as identified by the PaperCut icon 🅿.
6. When prompted enter your Username and Password.
7. At the Copier:
   a. Put your lunch pin into the ID spot on the Access Page of the copier.
   b. Tap the "Release" button.
   c. A list of your print jobs will appear.
   d. Select a job or multiple jobs you want to release to print. The band around the Start button will turn from Orange to Blue when you select a job.
   e. Hit the blue surrounded Start button and your job will begin.

If you select the **Remember me** checkbox, your device will remember your login details for that printer for one week.

Device requirements

Mobility Print supports Chrome OS with Chrome version 43+. Supported devices include Chrome Books from Acer, Asus, HP, Lenovo, and Toshiba.
