

CHARTER BUS SERVICES PROPOSAL
OPENING DATE: 5/15/25
OPENING TIME: 2:00 p.m.
RFP NUMBER: 2508-25

This Addendum No. 1 is being issued to answer the following questions:

1. What are the terms of the contract? In the scope of work, you say it is a five year contract but the list that follows indicates years 2 – 4 are options.

The terms of the contract will be 5 years.

2. In the scope of work part of the RFP, the verbiage reads very much like home to school contract and not a charter contract. The scope of service section does not include any details related to charter bus operations such as vehicle specifications, reservations processes, etc. Can you please clarify this?

This contract is for charter bus services only. Please see pages 15-23 in the RFP which are price sheets that include (vehicle) details that are required. Reservations are made in advance and confirmed with a purchase order.

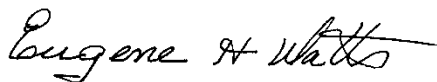

3. In order to give you accurate pricing, we would need to know the number of hours the bus is needed for all of these locations. For the ones at the bottom of the page, we are assuming that these are multi day tours and would need an itinerary to price.

We are requiring pricing per round trip to each location and hourly rate thereafter.

4. What are the terms of payment?

Net 30

All project requirements, except for those that are specifically added or modified by this Addendum shall remain in full effect.
