

Blyth Academy

SHAPING THE WORLD

Dear Families,

I'm thrilled to welcome you to Blyth Academy—a place where education transcends textbooks and exams. Here, we believe in personalized learning, where your child's unique journey matters most.

At Blyth, your child is not just a student; they're part of our close-knit community. Our small campuses foster connections, and our dedicated teachers take the time to understand their individual needs. Whether they are aiming for post-secondary admissions and scholarships, pursuing passions, or discovering their strengths, we're here to support them every step of the way.

Our promise extends beyond the classroom. We work tirelessly to ensure their success, because their goals become our goals. Join us at Blyth Academy, where your child's journey is uniquely theirs.

Warm regards,

Kathy Young
Chief Academic Officer

Our Pillars

- ✿ We are: **Current**
- ✿ We are: **Personalized**
- ✿ We are: **Passionate**
- ✿ We are: **Connected**

We Are: Current

Our unique structure allows us to quickly adapt to students needs and offer a multitude of learning options.

- ✿ Four Term, Two-Course High School Structure
- ✿ **Small Class Sizes and Flexible Schedules**
- ✿ Optional Online Learning Solutions

Small Class Sizes & Flexible Schedules

Our school focuses on small class sizes, with an average of just 12 students. This allows our dedicated teachers to provide personalized attention and support. They take the time to understand each student's learning style, strengths, and weaknesses. By adapting our teaching methods to meet individual needs, we create a more effective learning experience and maximize valuable learning time. We create efficiencies with our students' time so that they have more time outside of school to do what they love. Additionally, for students involved in extracurricular activities, we offer flexible schedules that combine in-person and online learning, ensuring that academics remain a top priority.

We Are: Personalized

We meet students where they are and help them achieve their personalized goals.

- ✿ Rigorous Academic Programming
- ✿ Open Communication with Parents
- ✿ **Exceptional Guidance Support**

Exceptional Guidance Support

Early on, we encourage our students to plan for their academic futures. Our impressive guidance counsellor-to-student ratio of 70:1 enables our counsellors to establish strong personal connections and consistently support each student. Recognizing that every student has unique aspirations, our counsellors actively seek outstanding opportunities and enriching experiences to help them thrive and make a memorable impression on their post-secondary applications.

We Are: Passionate

From teachers to administration, everyone is involved and dedicated to student well-being and personal success.

- ✿ **Dedicated Teachers and Caring Staff**
- ✿ Strong Support for Student Wellness
- ✿ Fostering Diverse School Communities

Dedicated Teachers and Caring Staff

At Blyth Academy, our teachers are highly qualified. We carefully select our staff based on their qualifications and exceptional qualities such as empathy, enthusiasm, and dedication to student success. Our teachers have a genuine love for their subjects and a strong passion for connecting with young minds - anything less simply doesn't meet our standards.

We Are: Connected

We take students beyond the classroom and expose them to experiences and opportunities across our communities.

- ✿ **Blyth Academy Cross-Campus Events**
- ✿ Hands-On Learning in our Local Communities
- ✿ International Trips and Events

Blyth Academy Cross-Campus Events

We recognize the importance of building a strong sense of community among our students. Throughout the academic year, students from different campuses collaborate to participate in exciting annual events like the Blyth Academy Basketball Tournament, Soccer Tournament, and Prom. Additionally, our students have the exclusive opportunity to join a Blyth Academy trip abroad. Campuses also organize joint field trips, including skiing, visits to Canada's Wonderland, exploring the Toronto Islands, and camping up north.

Curriculum:

At Blyth Academy, our Elementary & Middle School programs aim to provide a well-rounded education that aligns with the curriculum set out by the Ontario Ministry of Education. We prepare students both academically and emotionally for high school. Our model consistently enhances academic success through continuous feedback and personalized learning, which can be challenging to achieve in larger classrooms.

Pre-Launch Program

Ease Your Child's Transition to High School

Available at select campuses, the Pre-Launch program allows middle schoolers to preview high school-level courses before entering high school. This invaluable opportunity not only empowers students with a smooth transition to Grade 9 but also equips them with an advantageous head start over their peers, preparing them for the upcoming challenges and academic rigor of high school coursework.

It is not just my son's marks that have changed — his confidence in his ability to learn, his engagement with other students and the teachers have made a difference in his overall attitude toward school.

High School

We offer two proprietary programs tailored to students at different stages of their education:

- ✿ **The LaunchPad Program**
(Grades 9-10)
- ✿ **University Prep Program**
(Grades 11-12)

Students Follow a Four-Term Schedule

Our high school students follow a four-term schedule where they deeply engage with two subjects per term. This approach allows them to concentrate fully on these two subjects, rather than juggling four subjects per semester. This promotes seamless subsequent learning providing a smooth flow of knowledge in core courses. This structure also gives students the ability to join us at four entry points during the school year.

Schedule varies by campus

LaunchPad Program

This is a year-long program that aims to improve students' learning and study skills through practical daily activities, covering topics like financial literacy, community engagement, and outdoor education. By participating in these activities, students not only acquire valuable practical skills but also develop the ability to think independently, analytically, and critically. An additional benefit of the program is that upon completing Grade 10, students earn two extra credits. These extra credits provide flexibility and open up new opportunities for exploration during their senior high school years.

My experience with the teachers is excellent. I really feel that they want me to succeed and I have their support. I feel like I am able to connect with their teaching style because they know me and they know how I learn.

Grades: 11-12

8:40 a.m. - 10:55 a.m.	Period 1 Classes
11:00 a.m. - 1:15 p.m.	Period 2 Classes
1:15 p.m. - 1:45 p.m.	Lunch & Clubs
1:45 p.m. - 4:00 p.m.	Period 3 Classes

Students only attend two out of the three class periods
Schedule varies by campus

University Prep Program

The program's primary focus is to prepare students for post-secondary education. During this time, students receive increased attention on skills such as critical thinking, interpreting information, independent learning, and active participation in a small group setting.

The program's success is evident: 90% of students who complete it receive first-choice university acceptance, and 85% receive full or partial entrance scholarships.

Smaller class sizes allow teachers to have a more 1 on 1 teaching style and classes feel more like a discussion rather than a lecture. The less intimidating atmosphere makes approaching teachers easy for extra help or general questions.

Proud Member of Globeducate

Blyth Academy proudly stands as a member of the Globeducate community - a network of 65+ premium bilingual and international schools and online programs educating more than 40,000 students in 11 countries.

International Opportunities

As Globeducate members, our students have the incredible opportunity to participate in a wide array of events that take place around the world. Each year, a handful of students get the opportunity to travel to Europe and participate in either the global Model UN or the student Leadership Summit. Additionally, students can participate in global programming such as the Globeducate Arts Competition, Eco-Schools, Reading Days, WWF events and LEGO programming. Our students are exposed to unique learning experiences that foster a global mindset and cultivate a deep appreciation for diverse cultures. We unite students from around the world for unforgettable experiences that broaden horizons and nurture a profound respect for our global community.

Post-Secondary Success

The proof is in our students. We take immense pride in our students' accomplishments. They consistently outperform the average in post-secondary education, thanks in part to our distinctive programs and exceptional faculty.

“The one-on-one support helped me discover and explore my passion and set me up for success in the Commerce program at Queen’s. I was able to take classes a grade ahead and enrol part-time in university courses while in Grade 11. I now serve as the marketing director for one of Queen’s premier investment clubs and as the Speaker of the Assembly for the commerce student government at the Queen’s Commerce Society.”

Blyth Academy Orbit

Blyth Academy Orbit is a virtual school where students attend classes from locations around the world. It operates fully in the virtual space, allowing students to join live, teacher-led classes from anywhere. These classes take place during regular school hours and mirror our in-person classes where teacher support is strong and class sizes are small.

Students can earn credits full-time or part-time. Because of the global reach, Blyth Academy Orbit fosters global citizenship and prepares students for an interconnected world.

Part-time Programs:

In our part-time programs, students have the flexibility to earn a single credit or explore multiple courses while keeping their Ontario Student Record at their homeschool.

Summer School

Students experience personalized and enhanced education with intensive, month-long high school courses across various subjects. Our small class sizes—averaging just 12 students—allow dedicated educators to provide a personalized, hands-on approach. Students will thrive not only in July or August, but also in their future endeavors.

Night School

Available at select campuses or virtually, Night School lets students gain deeper understanding of core high school subjects—all while staying connected to their home school. Our educators, with an average class size of 12, offer a personalized approach to learning. Night School is available in both fall and winter sessions.

Blyth Academy Online

Blyth Academy Online is a respected Ontario private online school offering flexible learning with over 160 OSSD courses and a selection of elementary courses. Students can earn credits at their own pace, anytime, from anywhere in the world. The curriculum is comprehensive, and teacher support contributes to student success.

Athletic Programs

Balancing Training and Academics

Students at Blyth Academy may take part in several athletic skills training programs while benefiting from our flexible school schedules, meeting both their academic and athletic needs.

To further athletic development, we have curated elite athletic programs that integrate advanced sports training with academic study.

Campuses

We proudly operate six physical campuses in Ontario. These campuses thrive as safe, small communities, fostering vibrant student bodies and dedicated educators.

In addition to our physical campuses, we offer a cutting-edge virtual campus called Blyth Academy Orbit that hosts teacher-led classes for students in grades 9 to 12. These innovative classes align with regular school hours and can be accessed from anywhere.

Scholarships & Financial Aid

Our Scholarship Program aims to commend and recognize student achievements in sports, the arts, and community service. Additionally, our Financial Aid Program has made the Blyth Academy experience more accessible than ever before.
