# The Camper Experience

The high-energy, innovative games at Seneca Hills give campers an outlet for their energy while providing counselors a chance to encourage team-building and leadership skills. Each day we let kids be kids while providing safe, yet adventurous, games and challenges. Speakers at Seneca Hills know kids and teens. They also love God's Word, unwrapping and animating God's truth in ways that connect with

today's youth. Campers will hear the Gospel presented in a variety of ways and have opportunities to explore that truth in cabin time, breakouts, and all those small moments between the counselor and camper. Seneca Hills provides high quality, Bible-based, programming for youth ages 5-18. We are committed to the spiritual growth and emotional development of each camper.

## The Edge

Up for an adventure? Join one of our several Edge camps for a thrilling week of outdoor exploration and fun. Each camp is different and continues to pack in more outdoor skills, Biblical lessons, and adventure. Edge camps have limited availability, so sign up today.

## OVERNIGHT CAMP

Seneca Hills is an outrageously fun camp experience where kids come seeking adventure and leave with a head full of memories and a heart full of life-changing insights from God's Word. But Seneca Hills is more than fun — it's where youth gather for real, unplugged adventure. No phones. No devices. No wifi in these woods. We guarantee you'll find a better connection. Campers forge lifelong memories around a camp fire and discover life-changing insights in the Bible.
