

Robertson County Associate Pathway (District Collaborative)

Parent/Guardian Acknowledgement and Permission

Student Name _____ District Collaborative start in the **Fall 2025 semester**

High School _____

1. Your student has requested to enroll at Volunteer State Community College (VSCC) through the Robertson County Associate Pathway (District Collaborative).
2. Courses will be taught by credentialed instructors hired by VSCC.
3. VSCC courses are college level and will be taught as such.
4. All VSCC courses have syllabi that should be read by your student. The syllabi will include important information such as the instructor's contact information and grading policy.
5. In the event of any delay or closure of local high schools, your student is responsible for checking their VSCC email and/or eLearn for assignments. Although local high schools may not be in session, VSCC coursework may still continue, and it is the student's responsibility to stay up to date and current on all assignments. The District Collaborative follows Vol State's academic calendar and District Collaborative students will be required to follow Vol State's academic calendar.
6. Your student is responsible for any balance not covered by the TSAC Middle College Scholarship (MCS), the TSAC Dual Enrollment Grant (DEG), and other scholarships and grants available to District Collaborative students, including, but not limited to, tuition, fees, textbooks, parking tickets, and library fines.
7. Students must maintain a minimum cumulative college GPA of 3.0 or higher at the end of each semester to retain TSAC MCS eligibility. Visit the [TSAC Middle College Scholarship page](https://www.collegefortn.org/middle-college/) (<https://www.collegefortn.org/middle-college/>) for more information on the scholarship and eligibility requirements.
8. If TSAC MCS eligibility is lost, the student will be responsible for all dual enrollment tuition costs in subsequent semesters which will be added to the student's balance.
9. Failure to pay balances by the fee deadline can result in your student being removed from VSCC courses. Failure to pay fees can result in holds on the student's account that prevent registration or the issuance of transcripts. Current balances are viewable on the student's My Vol State portal.
10. Regardless of age, enrollment at VSCC makes your child a college student. Per federal law (FERPA), all correspondence (including bills) will be addressed to the student.
11. It is the student's responsibility to contact the instructor with any questions or concerns about courses. Instructors will correspond with students only.

My signature below indicates that I have read and understand the above and I hereby grant my permission for the participation of this student in the dual enrollment program at Vol State through the Robertson County Associate Pathway (District Collaborative).
