

# Join us for a Community Café

Chapin Hall and the Doris Duke Foundation are hosting a community café on family wellbeing, and we want you to be part of the conversation!

## What is a community café?

Community cafés bring people together to talk in small groups about issues that matter. At this café, conversation will focus on:

- What we love about our community
- The struggles families in our community are facing
- What support could help those families thrive

## What is the purpose of the event?

This community cafe is part of a larger effort called [OPT-In for Families](#).

In South Carolina, OPT-In is aiming to better support families who are at high risk of child welfare involvement. As part of their study of OPT-In, Chapin Hall is cohosting this café to learn from the perspectives of **caregivers of children under age 18 living in Orangeburg County**.

## What are the event details?

**Date:** Wednesday, May 14th from 12-2pm

**Location:** Orangeburg County Library, 1645 Russell St, Orangeburg, SC

Food and beverages will be provided. Attendees will receive \$50/hour for their time. Travel to the event will be reimbursed at 67 cents/mile. Those who need childcare to attend will receive \$75 to help cover childcare costs.

**If you plan to attend,**
