

Dear Parents,

Enclosed is a math packet designed to aid rising 4th graders in maintaining quick and accurate recall of math facts. All fourth math operations (addition, subtraction, multiplication, division) are covered, as well as rounding and time. It is strongly recommended that students complete one page, front and back, a week over the summer break. Doing the entire packet once will not aid in the continual practice needed to keep math skills strong.

Fourth grade teachers will be asking for the packets during the first week back to school.

Thank you for your support,

Mrs. Megan Fader mfader@parrottacademy.org

Mrs. Stephanie Pope spope@parrottacademy.org

Mrs. Sherry Crocker scrocker@parrottacademy.org
