Semester Exams – May 20, 21 and 22

Dear Kilbourne Family:

Exams will be given May 20 through 22. The exam schedule is printed below. Students are required to be in attendance during their scheduled exam times each day. At other periods during the day, if your student does not have an exam they are not required to be at school. The Academic Assistants will be in the Teaching & Learning Center (Room 205) which will be open for students that remain on campus to study. Please discuss your expectations of how your student should handle this special exam schedule. The building must remain quiet with the least amount of noise and disruption.

Buses will operate on the normal schedule during exam week; **except on Thursday, when there will be two bus runs for students finished with exams: an early run at 12:40 p.m. and a second run at the regular time of 3:20 p.m. for students who stay for a makeup exam.** Breakfast and Lunch will be available on Tuesday and Wednesday. On Thursday, we will provide Breakfast. The cafeteria will not be open for lunch after the 6th period exam. **If your student needs lunch on Thursday, please contact the administration office by Monday, May 19th.*

During the semester exams week, parking will be available to students with year-long parking permits in the designated WKHS student parking areas. Students in 9th and 10th grade that have not completed the YouScience occupation aptitude tool will do so during their Academic Prep period.

We wish all students a successful exam week. Please remember that the final exam is worth 10% of the semester grade. Also, the fourth quarter grades and the semester grades determine eligibility for fall sports/activities.

Sincerely,
Aric Thomas, Principal
