3411 PLACEMENT ON GUIDE STEP

The Board of Education will determine the salary to be paid in each teacher position that it fills and will determine the credit for prior experience, if any, to be recognized for each teaching staff member newly employed in this district.

A part-time employee who is paid on the full-time salary guide will be advanced on the guide as if he or she were a full-time employee, but will be paid a salary prorated to the part-time position. A part-time employee who is transferred to a full-time position will continue to advance on the salary guide.
