3516 Remotely Activating Communication Devices - Pagers and
Cellular Telephones

The Board of Education strictly prohibits the use of remotely activating communication devices while staff members are on assignment, with the exception of those devices provided by the Board of Education to various employees. Remotely activating communication devices can be used in the school building in the Teachers' Room only or for an emergency occurring while on a field trip.

Teachers who violate this policy will be subject to disciplinary action.
