Summer Green Light Challenge

Dear Parents/Guardians,

Help your child avoid the "summer slide" and encourage them to use their Reflex account this summer! Reflex is an online, game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

Summer Green Light Challenge

- Have your child log each Green Light day on the following sheets.
- Ask them what their highest score is in one of the Tree house games listed on the bottom!
