### 4433 VACATIONS

Vacations will be granted for employees not covered by the terms of a negotiated agreement during the months of July and August, except for employees under first contract with the Board of Education. However, the Board reserved the right to grant vacations at times other than the months of July and August, when necessary.

If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greater seniority shall be given his or her choice of vacation period. Employees must submit, in writing, their vacation schedules no later than six months prior to the start of the vacation period.
