UNION ELEMENTARY RECERTIFIED AS LIGHTHOUSE SCHOOL

May 7, 2025

(MACON, GA) – Recently, Union Elementary School received notification that it had been officially recertified as a Leader in Me Lighthouse School. This recertification process must be completed every two years for Leader in Me schools.

“This achievement reflects our ongoing commitment to leadership development, academic progress, and empowering our students to find their voices,” said Principal LaShun Crawford. “This milestone is worth celebrating with our community because all stakeholders are instrumental in the success of all students at Union Elementary School.”

Lighthouse status reflects achievement of a high standard of implementation of Leader in Me and Stephen Covey’s book “The 7 Habits of Highly Effective People.” Union has been recognized for a committed effort to implement these concepts with students, families, faculty and staff.
