#### 5500 EXPECTATIONS FOR PUPIL CONDUCT

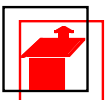

The Board of Education believes that obtaining an education is a serious endeavor. Pupils are expected to conduct themselves in a proper manner at all times. An atmosphere conducive to learning, study, and work can best be achieved by pupils whose personal behavior is proper. Pupils should be aware that they are responsible for their actions and the consequences thereof. Further, by setting reasonable standards, the district provides training for self discipline.

The Board expects all pupils in this school district, commensurate with their age and ability, to:

1. Prepare themselves mentally and physically for the process of learning;
2. Respect the person, property, and intellectual and creative products of others;
3. Take responsibility for their own behavior;
4. Use time and other resources responsibly;
5. Share responsibilities when working with others;
6. Meet the requirements of each course of study;
7. Monitor their own progress toward school objectives; and
8. Communicate with parents or legal guardians and appropriate school staff matters.

The Superintendent shall, in consultation with staff members, parents or legal guardians, and, where appropriate, pupils, develop a statement of specific pupil behaviors that exemplify these expectations and shall publish both this policy and the statement of behaviors to all pupils, parents or legal guardians, and professional staff members.
