

5511.2 DRESS AND GROOMING -Secondary School

The Board of Education recognizes that each pupil 's mode of dress and grooming is a manifestation of the pupil's personal style and individual preferences. The Board will impose its judgment on pupils and parents or legal guardians only when a pupil 's dress and grooming affect the educational program of the schools.

Pupils may not wear clothing or engage in grooming practices that present a health or safety hazard to the individual pupil or to others; materially interfere with school work, create disorder, or disrupt the educational program; cause excessive wear or damage to school property; or prevent the pupil from achieving his or her own educational objectives because of blocked vision or restricted movement. The building principal shall determine whether the dress or grooming of pupils comes within these prohibitions.

Staff members shall demonstrate by example and precept wholesome attitudes toward neatness, cleanliness, propriety, modesty, and good sense in attire and appearance.

All students are required to arrive at school each day well groomed and neatly dressed in a mandatory uniform. It is the student's responsibility to dress according to the approved and reasonable regulations of the Bayonne Board of Education.

With the above in mind, these specific guidelines have been developed for students in grades nine through twelve:
