Weekly Update: May 5, 2025

Sequencing  
Father's Day  
Finish Assessments

Dear Parents,

Thank you so much for sharing your child with us this year. We have the best class and parents and appreciate all you have done for us. A big Thank You to Kayla Siemann for organizing our class parties and events.

Please continue to practice cutting, shapes, pencil grip, and numbers. Most children recognize their numbers 1-5 and circle, triangle, and square. Quite a few have a hard time with rectangle. Next year they will need to be able to **cut on their own and write their name** on most of their work.

Our last full day of school and After Care is next Tuesday, May 13th. Our class **Closing Program is Wednesday May 14 at 9:30am.** Children walk in with their parents at 9:20 – NO carline. Please make sure your child has gone to the bathroom before they arrive. We can't wait to show you some of our favorite things we have learned this year. The program will last about 20 minutes and children are dismissed immediately after for Summer.

Important Dates:

- Wednesday, May 14 Preschool Last Day of School Program – 9:30 with dismissal following to begin Summer

Have a great week,  
Alex Pechon and Michelle Upton
