SUPERINTENDENT/CEO

Aaron Collins

Dear Metro Tech Community,

Metro Tech continues to thrive as a beacon of opportunity, innovation, and community impact, and this year has been no exception.

Our commitment to excellence in education, workforce development, and community engagement is reflected in every milestone we reached. From the grand openings of the Public Safety Academy, Law Enforcement Training Center, Industrial Technology Center, and Aviation Campus renovations to the launch of our new logo and branding, Metro Tech is boldly stepping into the future.

We successfully launched our AI course, and I'm proud to report that every class we have held so far has reached full capacity. Additionally, our CDL program has achieved a remarkable 100% graduation rate this year. These accomplishments underscore our dedication to equipping our students for career success.

In the future, expect to see an increased variety of open enrollment short-term courses.

Our accomplishments this year highlight the dedication of our students, faculty, staff, and community partners. They demonstrate our vision of empowering individuals and strengthening our community. As we move forward, we remain committed to innovation and leadership. Thank you to everyone who helps make Metro Tech successful. Together, we will continue to transform lives and create a lasting impact.

Sincerely,

Aaron Collins, Superintendent/CEO

Tuition is \$3.25 per credit hour.

FINANCIAL AID

Financial aid in the form of scholarships, grants, veteran's benefits, loans and tuition waiver programs are available for qualified persons enrolled in full-time career majors. Students may apply for the Federal Pell Grant and Direct Loans Programs online by completing the Free Application for Federal Student Aid (FAFSA) at www.studentaid.gov.

ARCHITECTURE & CONSTRUCTION

ASBESTOS HAZARD AWARENESS

🕒 .25HRS 📍 OL

This lesson will help employees increase hazard awareness and assess the risk for operations where there is any potential for exposure to asbestos and the risk of acquiring an asbestos-related disease. However, completing this lesson alone does not meet the intent of applicable regulations nor qualify a worker to collect samples or perform abatement activities. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

CONFINED SPACES

🕒 .25HRS 📍 OL

This lesson will present the hazards posed by confined spaces and the difference between a permit required confined space and a non-permit required confined space. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

ELECTRICAL SAFETY: GENERAL AWARENESS

🕒 .5HRS 📍 OL

This lesson prepares workers to work safely with and around electricity. This lesson does not address arc-flash hazards and controls, lock-out/tag-out procedures, or high voltage (220V or 440V) electrical safety. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

HAND AND POWER TOOL SAFETY

🕒 .5HRS 📍 OL

This lesson will introduce the hazards associated with hand and power tool use and the actions you can take to reduce your risk of hand and power tool-related accidents and injuries. Completing this lesson does not qualify or authorize you to operate a specific tool. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

SHORT-TERM COURSES

ARCHITECTURE & CONSTRUCTION

HEAT STRESS

🕒 .25HRS 📍 OL

This lesson will help you become aware of the hazards inherent to working in hot environments. Additionally, you will learn the nature, symptoms, and treatment of heat stresses, as well as the precautions you should take to protect yourself against these stresses. You will hear some general first aid guidelines; however, any treatment-related information provided in this lesson does not constitute medical advice and is not a substitute for evaluation by a qualified healthcare professional. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

LADDER SAFETY

🕒 .25HRS 📍 OL

The goal of this lesson is to provide awareness-level instruction on ladder hazards, safe use requirements, and best practices for all employees. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

LOCKOUT TAGOUT

🕒 .5HRS 📍 OL

The goal of this lesson is to provide awareness level training for all employees about the existence of hazardous energy sources; the isolation of those energy sources during certain maintenance and repair activities; and the communication and control procedures that limit access to those energy sources through the use of tags and locks. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

PERSONAL FALL ARREST SYSTEMS

🕒 .5HRS 📍 OL

In this lesson, you will learn the hazards posed by falling, the protections personal fall arrest systems can provide in arresting a fall, the components and design requirements of a personal fall arrest system, as well as how to properly select, inspect, don, and connect to a system. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25

2020 NEC CODE CHANGES

📅 S 🕒 8A - 3P | 6HRS 📍 SBC

Learn the most recent changes to the National Electrical Code (NEC) effective for the 2020 code cycle. Completion of the course meets the requirement for the Electrical Journeymen and Contractors' license renewal and earns 6 CEU's. This course is beneficial to Electrical Apprentices seeking a better understanding of the Code in their pursuit of the Electrical Journeymen's License. DM. TUITION: \$75 BOOK: Bring your own

BOILER OPERATION LP

📅 MW 🕒 5P - 8P | 48HRS 📍 SBC

Learn the basic properties of low-pressure steam, and hot water boilers, as well as related equipment and controls. Prepares you to take the boiler operator exam for OKC second class. Metro Tech has been approved by the Oklahoma Department of Labor (ODOL) to provide training and to administer the examination for the State Boiler Operator License. DM. TUITION: \$299 BOOK: \$165

CABINET AND FURNITURE MAKING

📅 TTH 🕒 5:30 - 8:30P | 96HRS 📍 SBC

Learn the shop safety and construction techniques to build beautiful cabinets and furniture to add to your unique signature home. Subjects include project selection and design, joinery techniques, wood selection, finish considerations and project preparation for durable finishes. DM. TUITION: \$400

ELECTRICAL TROUBLESHOOTING AND PREVENTIVE MAINTENANCE

📅 S 🕒 8A - 3P | 6HRS 📍 SBC

Discover how to fix electrical problems safely. Cover the most commonly performed electrical troubleshooting tasks. This training provides a practical, real-world and systematic approach to electrical troubleshooting. DM. TUITION: \$155

ELECTRICITY FOR NON-ELECTRICIANS

📅 S 🕒 8A - 3P | 6HRS 📍 SBC

Learn hands-on skills to reduce equipment downtime, while enhancing overall efficiency and safety. Resolve issues that you may not have been able to solve on your own. Maintenance technicians and other non-electrical personnel may benefit from our experts and hands-on training. DM. TUITION: \$155

SHORT-TERM COURSES

ARCHITECTURE & CONSTRUCTION

HVAC RESIDENTIAL

TTH 5 - 8P | 30HRS SBC

HVAC Basic for everyone, Simple Air Conditioning and Furnace Repair, Basic Air Conditioning Fundamentals. DM. TUITION: \$240 BOOK: \$165

UPHOLSTERY-FURNITURE

MW 5:30 - 8:30P | 96HRS SBC

Pursue a career or hobby using your own furniture! Produce a handcrafted article you will be proud to display. Advanced students learn tufting, channeling and pillow backs. Tools and sewing machines are provided. Book can be purchased the first night of class. REQUIREMENT: First time students need to purchase a book. PREREQUISITE: Need to know how to sew. DM. TUITION: \$400

BOILER OPERATIONS HP

TTH 5 - 8P | 48HRS SBC

Understand the physical properties of steam and a working steam system. Latest information on water softeners, water treatment and steam management is taught. Examples show step-by-step solutions to boiler problems. Excellent preparation for the boiler operator license exam. Metro Tech has been approved by the Oklahoma department of Labor (ODOL) to provide training and to administer the examination for the State Boiler Operation License. DM. TUITION: \$299 BOOK: \$165

For this course, all students are required to purchase a book during the enrollment process. LS. TUITION: \$55.00 BOOK: \$10.00

MEDICAL TERMINOLOGY

8A-4:30P | 45HRS HCC | OL

Learn the language of medicine in this specialized, online course. Understand the meaning of medical words by learning how to divide them into their basic elements. This is a great preparatory course for those planning a career in Medical Coding, CMA, CNA, Practical Nursing, Surgical Technology and Medical Assisting. This class is no longer open enrollment. *Not for college credit* LS. TUITION: \$335.00

IV THERAPY

F 9A-2P | 5HRS HCC

Review theory on IV fluids and administration. Practice venipuncture technique, IV equipment, IV medication administration, and more. This is not a certification course. LS. TUITION: \$85.00 SUPPLIES: \$12.00

PHARMACY TECH

TTH 5 - 8P | 72HRS HCC

Discover the role of pharmacy technicians, the environments in which they work, and the skills necessary to perform their required professional responsibilities. Topics include inventory management, drug regulations and control, pharmaceutical terminology, HIPAA, prescriptions, pharmaceutical calculations, compounding sterile formulations, hospital and community pharmacy, financial issues and more. Must know how to calculate math problems. For this course, all students are required to purchase a book during the enrollment process. LS. TUITION: \$40.00

PHLEBOTOMY INTERNSHIP

MTWTH 7:30A - 5P | 100HRS OC

Transition from theoretical concepts to real-world applications for a career in the laboratory as a phlebotomy technician. Must have completed the Phlebotomy class with an 80% or above to be eligible. Requirements: CPR/BLS, physical exam, drug screen, background check, immunizations records including COVID, TDap within the last 5 years, 2 negative TB within the last year, and Hep B series or waiver. LS. TUITION: \$250.00

PHLEBOTOMY

TTH OR MW 6 - 9P | 60HRS HCC

This course consist of lecture and lab that provides knowledge of equipment, OSHA's blood-borne pathogens and mechanics involved in the collection of specimens. Practice and learn how to do all areas of puncture safely and properly. Study complications in phlebotomy and special collection procedures. After completing all aspects of the Phlebotomy course, and meeting the required criteria, you may be eligible for a day-time internship. Information on the internship is provided the first day of the phlebotomy course. For this course, all students are required to purchase a book during the enrollment process. LS. TUITION: \$455.00 BOOK:\$75.00

PHLEBOTOMY REFRESHER

F 8:30A - 3P | 6HRS HCC

Health care workers who draw blood may want extra training on proper venipuncture procedures using various venipuncture devices. This course is ideal for prior phlebotomy students, nurses, medical assistants and AUA's. LS. TUITION: \$50.00

NURSE REFRESHER

110HRS OL

This course offers three components: online nursing theoretical course, nursing skills lab, virtual clinical. The online course must be finished within 4 months. The entire program must be finished within 8 months. The labs and clinical are subject to change. For questions or enrollment information please call 405-595-4605 or 405-595-4770. LS. TUITION: \$1900.00 BOOK: \$100

VETERINARY ASSISTANT CERTIFICATION-ORIENTATION

TH 5P | 1HR HCC

Orientation is required for all Veterinary Assistant students prior to enrolling in the course. REQUIREMENT: Please bring valid government issued photo ID.

VETERINARY ASSISTANT CERTIFICATION

TTH 7 - 9P | 100HRS OC

Enter the exciting world of veterinary medicine! Learn all aspects of basic veterinary care through in-person lectures and labs, as well as fun, interactive lessons, online. 40 hours of clinicals are included, at local veterinary hospitals. Upon completion, you will be eligible to take the Veterinary Assistant Certification exam by the Oklahoma Veterinary Medical Association (OVMA). This is a blended learning class. REQUIREMENT: Access to a computer and the internet. MUST provide own textbook: ELSEVIER'S VETERINARY ASSISTING, 3rd EDITION BY MARGI SIROIS. ISBN 978-0-323-68145-2. PREREQUISITE: MUST attend orientation prior to enrolling. AS. TUITION: \$450.00

Metro Tech Alumna Spotlight

Brandi Jones' journey with Metro Tech started in our Accounting program, laying the foundation for her future as a restaurant owner. After over a decade in the industry, she returned to Metro Tech to refine her skills in the kitchen and graduated from our Culinary Arts program in 2022. Today, Brandi is the head chef and manager of Oklahoma City's Eastside Eatery and The Market at EastPoint, where she continues to inspire the next generation of chefs through their student-led kitchen! The Eastside Eatery is located inside the Market at Eastpoint on NE 23 Street in Oklahoma City.

INFORMATION TECHNOLOGY

IT SUPPORT ACADEMY

🕒 155.5HRS 📍 OL

Prepare for a career in the high-growth field of IT, no experience or degree required. Get professional training designed by Google and get on the fast-track to a competitively paid job. There are over 520,000 open jobs in IT support with a median entry-level salary of \$57,000. This program is ACE® approved—when you complete, you can earn up to 15 college credits, the equivalent of 5 college courses at bachelor's degree level. This program also prepares you for the CompTIA A+ exams, the industry standard certification for IT—you'll earn a dual credential when you complete both. CM. Tuition waivers available.

IT AUTOMATION WITH PYTHON ACADEMY

🕒 114HRS 📍 OL

(Must have completed IT Support Academy)
This program builds on your IT foundations to help you take your career to the next level. It's designed to teach you how to program with Python and how to use Python to automate common system administration tasks. You'll also learn to use Git and GitHub, troubleshoot and debug complex problems, and apply automation at scale by using configuration management and the Cloud. CM. Tuition waivers available.

CYBERSECURITY ANALYST ACADEMY

🕒 164HRS 📍 OL

(Must have completed IT Support Academy)
Prepare for a new career in the high-growth field of cybersecurity, no degree or experience required. Get professional training designed and delivered by subject matter experts at Google and have the opportunity to connect with top employers. The Cybersecurity Analyst Academy helps prepare you for the CompTIA Security+ exam, the industry leading certification for cybersecurity roles. You'll earn a dual credential when you complete both. CM. Tuition waivers available.

UX DESIGNER ACADEMY

🕒 160HRS 📍 OL

Prepare for a career in the high-growth field of UX design, no experience or degree required. With professional training designed by Google, get on the fast-track to a competitively paid job. There are over 138,000 open jobs in UX design with a median entry-level salary of \$112,000. CM. Tuition waivers available.

ACCESS 2019-I

📅 T 🕒 9A - 4P | 6HRS 📍 EDC

In this training session, you will examine database concepts, and create and modify databases and their various objects using Microsoft Office Access. LH. TUITION: \$100.00 BOOK: \$25.00

SHORT-TERM COURSES

INFORMATION TECHNOLOGY

ACCESS 2019-II

📅 TH 🕒 9A - 4P | 6HRS 📍 EDC

This course is designed for students wishing to gain intermediate-level skills or individuals whose job responsibilities include constructing relational databases and developing tables, queries, forms, and reports in Microsoft Office Access 2019. LM. TUITION: \$100.00 BOOK: \$25.00

ACCESS 2019 - III

📅 TH 🕒 9A - 4P | 6HRS 📍 EDC

Learn how to work with additional Access features including table restructuring, criteria groups query, macros, multiple columns, form and startup options. Access 2019 has same features you use in 2016, but you will notice a few new ones, as well. LM. TUITION: \$100.00 BOOK: \$25.00

EXCEL 2019 - I

📅 T 🕒 9A - 4P | 6HRS 📍 EDC

This training provides all the tools necessary to create and use basic spreadsheets. LM. TUITION: \$100.00 BOOK: \$25.00

EXCEL 2019 - II

📅 T 🕒 9A - 4P | 6HRS 📍 EDC

Build upon the foundational knowledge presented in the Excel 2019-I This course will teach you how to use formulas and advanced functions, create and format tables, sort and filter, visualize your data with charts. If you're upgrading to Excel 2019 for Windows from an earlier Excel version, you'll still have all the features you're used to and you'll notice a few new ones as well! LM. TUITION: \$100.00 BOOK: \$25.00

EXCEL 2019 - III

📅 T 🕒 9A - 4P | 6HRS 📍 EDC

The Microsoft Office Excel Level 3 course lets learners build upon their foundational and intermediate knowledge of working with spreadsheets and introduces participants to high-end features, like PivotTables and Charts, collaborating with others, and automating complex or repetitive tasks. LH. TUITION: \$100.00 BOOK: \$25.00

OUTLOOK 2019 - I

📅 TH 🕒 9A - 4P | 6HRS 📍 EDC

In this course, you will use Outlook to send, receive, and manage email messages, manage your contact information, schedule appointments and meetings. LM. TUITION: \$100.00 BOOK: \$25.00

POWERPOINT 2019 - I

📅 TH 🕒 9A - 4P | 6HRS 📍 EDC

This Microsoft PowerPoint training course aims to provide new PowerPoint users with the essential skills needed to create, edit and present professional looking presentations using text, tables, diagrams, charts and pictures as well as providing presentations tips. LM. TUITION: \$100.00 BOOK: \$25.00

POWERPOINT 2019 - II

📅 T OR TH 🕒 8A - 4P | 6HRS 📍 EDC

In these second of two PowerPoint trainings, learn to use photos, videos and graphics to illustrate an idea in your presentation. LM. TUITION: \$100.00 BOOK: \$25.00

WORD 2019 - I

📅 TH 🕒 8A - 4P | 6HRS 📍 EDC

By the end of this course, you'll master advanced techniques that expedite your workflow, also extensive formatting for technical documents. LM. TUITION: \$100.00 BOOK: \$25.00

WORD 2019 - II

📅 TH 🕒 8A - 4P | 6HRS 📍 EDC

By the end of this course, you'll master advanced techniques that expedite your workflow, also extensive formatting for technical documents. LM. TUITION: \$100.00 BOOK: \$25.00

HAZARDOUS MATERIALS CDL ENDORSEMENT TRAINING

🕒 16HRS

👤 0L

As part of the new ELDT requirements that went into effect on February 7, 2022, all drivers seeking an Oklahoma HazMat endorsement are required to complete a Hazardous Materials theory training program BEFORE testing at a local DPS office. The program must be provided by a company/entity on the official Training Provider Registry and will fulfill the necessary theory instruction needed to take the knowledge test as part of the Federal Entry-Level Driver Training (ELDT) requirements. As part of the ELDT requirements, this training is now required before taking the written test for the HazMat endorsement at the Oklahoma DPS. CM. TUITION: \$49.99

COMPRESSED GAS SAFETY

🕒 .5HRS

👤 0L

The purpose of this lesson is to address the hazards inherent in compressed gas and provide best practices for using, moving, and storing compressed gas containers. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25.00

DRIVER SAFETY

🕒 .6HRS

👤 0L

This lesson will familiarize you with the consequences of making unsafe decisions when driving as well as the safe driving practices and vehicle technologies that will protect you from potential driving incidents and accidents. This lesson is not intended to cover driving requirements associated with commercial motor vehicles (CMVs) or the use of a commercial driver's license (CDL). This lesson does not address safety concerns associated with the use of off-road (ATV) vehicles, motorcycles, towing a trailer, or load securement while hauling equipment such as in the bed of a pickup truck. No in-person skills evaluation is required for this course. It is presented as online-only and distributed as a blended course. Upon successful completion of the online course, a Certificate of Online Training will be issued. CM. TUITION: \$25.00

POWER INDUSTRIAL TRUCK OPERATOR

🕒 S

🕒 8:30A-3:30P | 7HRS

👤 SBC

Focus on safe operation of the Power Industrial Truck. Learn hands-on instruction for pre-operation inspection, safe operation procedures and OSHA regulations. Achieving certification includes passing demonstration and written tests. DM. TUITION: \$50.00

SHORT-TERM COURSES

TRANSPORTATION, DISTRIBUTION & LOGISTICS

MSF BASIC RIDER COURSE

SSU 7A-2P | 14HRS SBC

This class is structured to allow new or even seasoned riders the training to operate their motorcycles in a safe manner to reduce the possibility of an accident occurring. CM. TUITION: \$50.00

MSF BASIC RIDER COURSE 2

SSU 7A-2P | 14HRS SBC

The BRC 2 is for the rider who wants to refresh and practice street riding maneuvers. This course, taken on your own motorcycle, fine-tunes riding skills, develops finesse and emphasizes strategies to reduce risks. The ability to handle various riding situations is developed and reinforced throughout the course. DM. TUITION: \$200.00

UNMANNED AIRCRAFT SYSTEMS (UAS) DRONE PILOT PART 107 TEST PREP

MTWTH 6-9P | 12HRS ACC

Recommended Course Description: Become an FAA certificated Remote Pilot and learn to operate safely in the national airspace system. This FAA Part 107 Remote Pilot ground school course covers the pilot subject material contained in the FAA Remote Pilot study guide and is designed to assist in a successful outcome upon taking the FAA written exam to obtain the remote pilot certification. The course consists of lecture, visual course aids, practice questions, class participation, and provides you testing techniques and recommendations. In addition, you will be given instruction on the steps required by the FAA for testing, and how to schedule your test through PSI Exams. LH. TUITION: \$300.00

UNMANNED AIRCRAFT SYSTEMS (UAS) DRONE SAFETY & FLIGHT PRACTICE

MTWTH 6-9P | 12HRS ACC

Safety requires Unmanned aircraft operations be conducted within the FAA regulations for public safety. To assist you in safety and your success in the future of aviation, this safety training has been developed to help you accomplish this. This course will show you through actual flying exercises designed to provide you with the knowledge and skills required to safely operate in this unique environment. This course is instructor led and students will practice how to safely setup flight operation areas while receiving live flight training. LH. TUITION: \$300.00

ADULTS

Full-time Programs (Day/Evening)
Our full-time adult programs are designed for those looking to start a new career. They are usually five days a week, and most can be completed in 12 to 18 months. Our evening programs are the same as the day programs; the only difference is the schedule. Evening programs are usually four days a week.

TUITION WAIVERS

Tuition waivers are available to students aged 18-21 who are graduates of our sending schools or who currently live within the district boundaries.

FINANCIAL AID & VA BENEFITS

Financial aid, scholarships, grants, veteran's benefits, tribal benefits, loans and tuition waiver programs are available for qualified persons enrolled in most full-time career programs. Students may apply for grants and loans online by completing the Free Application for Federal Student Aid (FAFSA) at studentaid.gov
