MPS Community,

As you can imagine, we are disappointed by the results of the May 6 election. While this campaign may be over, the challenges we have expressed over the past several months will remain until we find solutions.

Over the next several weeks, we will review the results of this election and consider our options for moving forward as a school community. As we engage in this assessment, I encourage community members to share their thoughts and concerns via email at [communications@midlandps.org](mailto:communications@midlandps.org) or by phone at (989) 923-4411. Additional opportunities for public input will be available at a later date.

Thank you to our Board of Education and the many individuals who dedicated their time and energy to this campaign effort. Your commitment to our students and the future of education in Midland is deeply appreciated.

We look forward to working together to solve the challenges facing our district as a united community.

Sincerely,

Phil Rausch  
Board of Education President

Penny Miller-Nelson  
Superintendent
