

Be a Host Family! Welcome a Youth Exchange Student from Belgium - 3.5 Months

The White Bear Lake Rotary Club is eager to welcome a high school girl from Belgium for the 2025-2026 school year and needs two more host families. Could that be yours?

Hosting a Rotary exchange student offers a life-enriching experience for your family. Share your culture, forge lasting bonds, and gain a fresh perspective on the world. With hosting periods of 12-14 weeks shared among families, it's a manageable and meaningful way to make a global connection.
