

SPIN THE SUMMER FUN WHEEL AT CHAMP CAMP!

When your kiddo's at Champ Camp, every day's a new chance to win at learning and adventure. From field trips to friendly competitions, each week's theme brings fresh, hands-on excitement. And with flexible scheduling, you can jump in for the whole summer or just a few fun-filled weeks that fit your family's plans.

MOVEMENT: Ready, set, go! Campers rack up points with team games, relay races, and outdoor sports that make healthy competition the ultimate goal.

FRIENDSHIP: High-fives all around! From buddy games to team-building quests, campers score big on fun while turning new faces into fast friends.

CREATIVITY: Game (show) on! Campers take on new roles, create masterpieces, and bring stories to life. Think art, drama, and a splash of originality in every project.

OUTDOORS: Timber! Kids connect with nature, from hikes to scavenger hunts—because fresh air is always a winning gift.

INNOVATION: This is a game-changer! Campers dive into hands-on STEM challenges, planning, designing, and solving real-world problems.

BONUS! FIELD TRIPS:

Each site has different field trips available including the EcoTarium, a trip to the movies, Dr. Seuss Museum and more!

We will also have various vendors visiting!
