

Troy Elementary Newsletter

May 2025

Dear Troy Families;

I trust that everyone enjoyed Spring break and that you were able to enjoy some family time together.

At school, Spring is a time for everyone to focus again on social relationships and the connections that they create. In order to develop these connections, communication is vital. Communication is at the heart of ROAR, our school pillars. The first "R" in ROAR stands for Respect. Respect is accepting everyone and their differences. It is treating others with kindness. "O" stands for Own Your Community. Community means caring for each other and doing our best to show support and respect. Working together, we can create a positive place where we want to be! "A" is for Always Persevere meaning that we try our best when at work or social situations get tough. Give your best effort and never give up even if things are hard. The final "R" stands for Responsibility. Responsibility is taking ownership for your actions, feelings, and choices. As the adults in our childrens' lives, we need to continually remind and model for students what behaviors look like and sound like. Frequent compliments when you see excellent behavior goes a long way to encourage positive behavior choices. Please continue to remind students that these behaviors should carry over to the bus ride to and from school; and EVERYWHERE students interact with others.

As always, thank you for being so supportive of all of our efforts. Collaboration between home and school is certainly key to students' success at school.

Best,

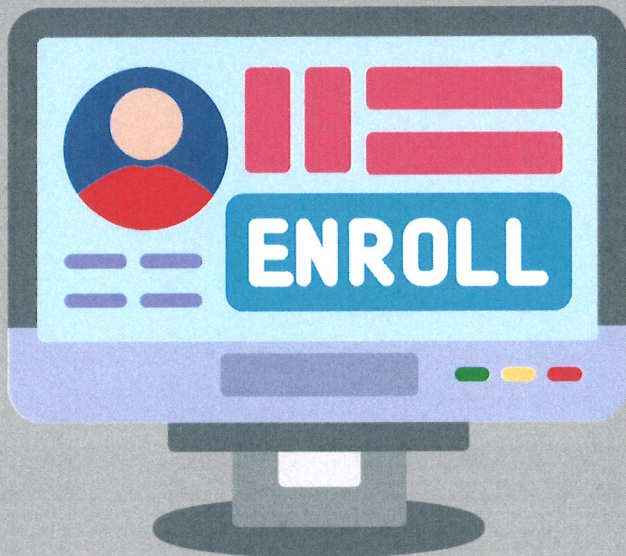

Kevin W. Stone, Ed. D., Principal
