

Westfield Schools Herbicide Notice

Notice to the Public:

Westfield Schools will be conducting herbicide applications to maintain the safety and aesthetics of our school grounds. This notice provides essential information regarding the herbicide application schedule, locations, and safety precautions.

Herbicide Application Details:

Prokoz Vessel Herbicide EPA reg #2217-656-72112

Dimethylamine salt 2,4- Dichlorophenoxyacetic acid- Dimethylamine salt of propionic acid-
Dimethylamine salt of Dicam

Purpose:

Application Schedule: spraying common areas for dandelions

- Start Date: 4/26/25
- End Date: 4/27/25
- Time: Applications will be conducted between 8:00am and 12:00pm
- Alternate Dates Pending Weather: none

Locations

The herbicide will be applied in the following areas: #3

1. Playgrounds
2. Sports Fields
3. School Lawns
4. Parking Lots
5. Pathways and Walkways
6. Landscaped Areas
7. Courtyards

Safety Precautions

- Restricted Areas: During application, treated areas will be clearly marked and access will be restricted. Please avoid these areas until the signage indicates it is safe to enter.

- Re-Entry Period: Do not enter treated areas until [Re-Entry Time] after application. This allows the herbicide to dry and ensures safety.
- Notification Signs: Signs will be posted around treated areas before, during, and after application to inform and guide the public.

Health and Safety Information

- Potential Risks: While the herbicide is approved for use in public areas and poses minimal risk when used according to the manufacturer's instructions, exposure can cause irritation. Avoid contact with treated surfaces until the re-entry period has passed.
- First Aid: In case of contact with skin or eyes, rinse thoroughly with water. If irritation persists, seek medical attention.

Contact Information

For more information or if you have any concerns, please contact:

Westfield Schools Grounds Department

- Phone: [Phone Number] 317-402-5296
- Email: [Email Address] waldenr@wws.k12.in.us
