PLEASE BE KIND

The Owl yearbook is a student publication created by students for students. Unlike the HBO series, *Game of Thrones*, we do not have a \$20 million budget, in fact, we have no budget. We make no profit from the sale of the yearbook to ensure our students pay the lowest possible price.

The 2025 yearbook was created between the months of August 2024 and April 2025. Most of the yearbook students had no prior experience with journalism, photography, or design. Despite the editing process, errors WILL occur, such as misspelled names, incorrectly identified subjects, duplicate photos, missing captions, missing photos, and more. None of this is done maliciously or intentionally. The Owl yearbook staff welcomes positive comments as well as helpful critiques.

If the purchaser has a comment or question about the 2025 Owl yearbook, please fill out the survey below within 10 days of the distribution. A staff member will contact you within 48 hours. Phone calls to the school will direct you to the survey. Verbally abusive language and tone or accusatory language will not be acknowledged.

STOP

Before writing in your book, check carefully to make sure there are no printing flaws such as: Blank pages, upside down pages, missing pages, broken spine, or printing smears. If you discover any of these or other PRINTING errors, DO NOT WRITE IN THE BOOK. Please bring the book to the attendance window, and we will contact TreeRing to order you a new book. Once you have written in the book, it's yours to keep!

When you have made sure there are no printing flaws in your book, write your name in it for better insurance against loss or theft.
