**WHEREAS**, the Orange Unified School District continues to enroll an increasing number of students with complex and severe health challenges; and

**WHEREAS**, the number of students with unmet health needs is increasing and interfering with normal developmental milestones and academic success; and

**WHEREAS**, school nurses are entrusted with the responsibility of addressing these challenges, providing compassionate and diligent care for the health, development, and disease control of all students through the effective implementation of our Health Services Program; and

**WHEREAS**, the essential role of school nurses includes conducting health assessments, delivering timely interventions, providing health education, making referrals, creating and overseeing specialized health care plans for medically fragile students, and collaborating with community organizations to ensure comprehensive care for our students; and

**WHEREAS**, school nurses are vital members of the school community, working tirelessly to create a safe, healthy environment in which all students can thrive academically, socially, and emotionally;

**NOW, THEREFORE, BE IT RESOLVED**, that the Orange Unified School District Board of Education declares May 7, 2025, as "School Nurse Day" and commends the invaluable contribution of our school nurses, whose dedication is integral to the success of our students and the broader educational community.
